April 5, 1966

The Fifty-seventh Annual Session of Woman's Missionary Union of South Fork Baptist Association was held April 5, 1966, at Southside Baptist Church.

Mrs. Richard E. Hicks, President, very capably directed the meeting which had as its theme, "Every Baptist a Witness".

The afternoon session began with hymn-singing, followed by a very inspiring meditation on proclamation and witness, and a solo "Go Tell It on the Mountain" sung by Mrs. Kathleen Cook. Mrs. W. L. Abernethy conducted the "Call to Prayer". The group was graciously welcomed by Mrs. Robert Whitesides, President of the Southside WMU.

Following recognitions, announcements, and reports of the various phases of work, officers were elected for another year. The playlet "You, a Missionary" was presented by Macedonia WMU. The meeting was adjourned for the evening meal with a prayer led by the Reverend Mr. Alvin Walker.

WRITTEN REPORTS

The following are written reports for use in this publication. Some have been shortened to comply with the 300 word limit required by our constituino. All have been properly approved.

ACTIVITIES COMMITTEE AND ASSOCIATIONAL MISSIONS

Alvin A. Walker

Associational missions for the year 1965-66 include the organization of a church, the Westport, four miles south of Denver, which was a mission of Macedonia Church. In our calendar of activities, the state promoted Five Year Spiritual Growth Program was given a prominent place, and four of our churches entered the full program. The calendar was changed a few times to fit the needs of the occasion at hand.

The superintendent of missions published 8,587 monthly bulletins ((The South Fork Post), made and mounted theme displays for the district and WMU annual meetings, and served as chaplain-of-the-week for Lincolnton hospitals one week. His work is reflected in other activities such as 27 Sunday School classes taught, 44 messages delivered, 74 occasions with minor participation, 682 circulars mailed in 18 dispatches, some 100 pieces of first class mail, five study courses taught, 1,140 personal conferences, 26 committee conferences, and seven meetings attended outside the association. He assisted in the ordination of one minister, worked in the VBS clinic, reported six conversions in the three Bible Schools he assisted, and edited the 1965 minutes of the 87th annual South Fork Association.

AMERICAN BIBLE SOCIETY

Lee Roy Denton

The primary aim of the American Bible Society is to put a Bible in the hands of all people in their native tongue. In keeping with this aim at least one book of the Bible has been published in 1,250 languages and dialects; the whole Bible has been published in 237 languages; a complete Testament in 297 languages; at least a complete gospel or other book of the Bible in 716 languages; and the American Bible Society is assisting in translation and revision work in 500 languages. The Scriptures exist in the languages of 97 percent of the world's population, but the task is far from being complete. The remaining three per cent represents more than 1000 significantly different languages and dialects.

The service of the Society rendered to the Armed Forces continues to be vital. Supplies for Vietnam have been given priority. Letters from the chaplains bear witness of the effectiveness of this mission. ..."in God's word servicemen find the strength and inspiration to sustain them through the daily trials they face."

In 1965, the United Bible Societies distributed approximately 80,000,000 volumes of scripture worldwide. The Society was responsible for

more than 50 per cent of this distribution. The Society and the churches have a special partnership resulting in the sharing of Christian tasks and the commitment to the Bible cause. The budget for this great commitment for 1966 is a record breaking $6,645,000. The churches for the last two years have met slightly over 20 per cent of the budget. The American Bible Society reasonably and prayerfully anticipates that in the forseeable future 50 per cent of its income will come from the churches.

The churches in our association will do well to include the Society in their new budget. This way we can help make it possible for all men everywhere to have access to a Bible in his native tongue.

ANNUITY BOARD

Paul J. Hopkins

Among the basic and inherent instincts of man, there is none, perhaps stronger than the desire for security. Men seek, save and sacrifice for it. this truth has been more and more recognized with the passing of time. Dr. William Lunsford, one of our denominational leaders, a number of years ago, recognized this desire for security to the extent that he and others set themselves to do something about it. Thus the Relief and Annuity of the Southern Baptist Convention came into existence. From 1845 to 1918, the plan was to pledge to this cause, and very little was given, consequently the aged preacher, no longer active in the ministry faced insecurity, fear, humiliation, worry and want. But under today's set-up, the Minister's Retirement Plan relieves the retired minister of the fear of want and suffering, which was the constant dread in the early years of the Southern Baptist Convention. As a pastor, I feel sure that the laymen of our churches want to see their ministers when their years of usefulness is fulfilled, look to the future confident of security.

Very briefly the plan used most widely by our pastors in the past, and I suspect at present is this: The pastor puts 5% of his salary (or less if he chooses) each month. The church or churches he serves contribute a like amount, and the State Convention then adds to that amount. This is called the Protection Plan which is on the first $4,000 of salary. However, several other plans are available to assure more protection, namely: **Age Security** variable annuity for the rest of salary. **Hospital Insurance,** called Health Benefit Plan and Life Insurance or Life Benefit Plan. These should be in every church budget as tax free fringe benefits just as other people have them.

Such a program will a good protection for the local church and the pastor's family in case of sickness, death and retirement.

AUDITOR'S REPORT

Mrs. Charles Sanford

This is to certify that I have checked the books and accounts of the treasurer, Mrs. Glenn Morrison, and have found them to be in order and in excelllent condition.

Alternate Proposal of the Missions Committee

Charles E. Parker, Chairman

The Missions Committee recommends:

1. That in keeping with Article 12, Section 3, of our associational constitution, our Missions Committee seek out and extend to a qualified person, preferably one with a degree in Religious Education from one of our Southern Baptist Seminaries, or one who has had extensive experience in this area, to become our Superintendent of Missions and Promotional Director followin the retirement of Reverend Walker.

2. That the salary and benefit schedule for the superintendent of missions be as follows:

Base Salary	$5,200.00
Christmas Bonus	75.00
Car allowance	1,050.00
Convention Expenses	300.00
Retirement program	399.96
Insurance (Hospital)	207.00
Total	**$7,231.96**

3. That we maintain the property presently owned in Maiden to be used by the new Superintendent of Missions as both living quarters and office space.

4. That the South Fork Association present to Mr. Wayker upon his retirement a cash gift in the amount of $3,000.00; this gift to be offered in appreciation for the long years of service rendered to the churches of our association by the retiring Superintendent of Missions.

NOTE—The above proposal will eliminate the housing allowance in the budget on page 5 of this book of reports. Also debt retirement on Office building and insurance on office building. However the insurance and up-keep of the missionary's home will have to be added.

CHILDREN'S HOMES

Ernest W. Friday

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-one years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. As we continue to build upon foundations already laid, special attention is being given certain areas of child care. An already strong program of group care is being strengthened at Mills Home, Kennedy Home and Odum Home. A good degree of progress has been realized in working with emotionally disturbed children at Greer Home in Chapel Hill. The demonstration Child Development Program for preschool children, conducted on the Mills Home campus, has had an excellent first year of operation. Churches throughout the state are studying the program and facilities preparatory to providing similiar services.

Sincere appreciation is expressed to all who have, in any way, helped to support our child care ministry. We are indeed grateful for increasing income through the Cooperative Program. Last Year's Thanksgiving Offering is approaching $315,000.00 and is the largest ever. Special gifts and designations such as the Once-a-month offering continue to provide a substantial part of our income. Through estate planning and the making of Christian wills an increasing number of individuals and families are investing in present and future generations of boys and girls who are in need of the services of the Baptist Children's Homes. Roger Williams, former pastor of the Mills Home Baptist Church, is devoting full time to working with our Baptist people in this area, and he or other members of the staff will count it a privilege to assist you in exploring this field of Christian stewardship.

We covenant with you to face the future as we have the past: to offer Christian nurture to distressed children in the Name of the Lord Jesus Christ.

CHRISTIAN ACTION LEAGUE

Cecil L. Ballard

It is obvious today that in our state too many professing Baptists seem to be "at ease in Zion", in opposition to the floodtide of liquor, wine and beer. Let's remind ourselves of this floodtide. Alcoholism is the 4th health problem in the United States today. Each year over three billion gallons of alcoholic beverages are being consumed. Did you know that there are 142,000 more places to buy drinks than there are houses of worship? Crime death, and accident rates are on the increase year after year and much is due to alcohol.

We are told that two out of every three homes in America have beer in them, where children grow up seeing it along side the eggs and bacon, thinking it is all right because the parents put it there. Our Children's Homes no longer remain orphanages because the majority have come from homes broken by the evils of alcohol. We cannot begin to mention the floodtide in our nation but we all need to be aware of this and do something about it.

What Can We Do?

1. We can keep our promise "to abstain from the sale of and the use of intoxicating drinks as a beverage".

2. We can cooperate with others in our state who are willing to fight against this evil.

   The Christian Action League of N. C. seeks to do this in several ways:
   1. Publishes a monthly periodical, "Tomorrow", ($1.00 per year), pointing out the results and prevention of alcoholism.
   2. Upon invitation from public schools, promotes an alcohol education program.
   3. Is seeking cooperation of our churches to take a stand against whiskey by the drink.

   May we all unite in this war and no longer "be at ease in Zion!"

CHRISTIAN EDUCATION

Herbert P. Miller

The breakdown in the enrollment of North Carolina's seven Baptist colleges is as follows:

Campbell College	2,192
Chowan College	1,179
Gardner-Webb College	1,191
Wingate College	1,486
Mars Hill College	1,428
Meredith College	942
Wake Forest College	2,996

Making a total of 11,414 students enrolled in our Baptist colleges. ...

As of now approximately 600 young men and women who expect to give their lives to one of the Christian vocations are enrolled in the North Carolina Baptist colleges. These include: pastors, chaplains, directors of religious education, directors of church music, home missionaries, foreign missionaries, institutional workers, denominational workers, teachers, and many others.

The cooperative program budget funds for these colleges amounted to $1,382,000. In addition to this, each college will share in an anticipated cooperative program overage of approximately $120,000. For 1966 the cooperative program income for the seven Baptist colleges represents an endowment in excess of $35,000,000. This guaranteed annual income is an important factor in maintaining accreditation. The cooperative program has been called the life-line for North Carolina Baptist Colleges. An advance for the cooperative program is always an advance for Christian higher education.

We are grateful that more churches each year are participating in the observance of Christian Education Day: To afford each church an opportunity for the congregation to become better acquainted with the contribution of our Baptist colleges to the denomination; to provide an opportunity to make an offering over and above the regular cooperative program giving. This offering now amounts to more that $100,000 and could very easily increase to $200,000 with the cooperation of our Baptist churches. We urge every church to observe Christian Education Day in 1967.

CHRISTIAN LITERATURE

Charles N. Cranford

"As a man thinketh in his heart, so is he." Our thinking is influenced by every contact of our daily lives: people, social conditions, the things we see and hear, that which we read. Probably we do our deepest thinking in the quiet company of the printed page. So that printed page is of the utmost importance to the kind of person we wish to be.

As **CHRISTIANS:** Our first and most serious reading should be our Bibles. The urgency of this course is possibly best expressed in a recent statement by Billy Graham: "A return to the Bible would strengthen our home life...reverse the terrifying crime statistics...put sex in the right perspective...do more for race relations than any single thing we could do...give purpose to our young people...restore a high sense of destiny to the nation...and bring our nation to its finest hour." What a challenge! Let us make the Bible our First in literature.

As **Baptists:** Our churches makes available to us thoughtful literature for ourselves, and helpful publications for every service we render to God's Kingdom. Within our own state, the following are available: The **N. C Baptist Homes Bulletin, Charity and Children,** and the **Biblical Recorder.** Fine graded literature is available for the Sunday School, Training Union, WMU and its Auxiliaries, the Brotherhood and Royal Ambassadors. Many churches are now beginning their use of the new **Life and Work Curriculum,** recently recommended by the Southern Baptist Convention. For the present only the Young People's and Adult's literature is ready for circulation. In addition we have the following: **Commission** and **Home Missions** magazines, **The Teacher, Home Life, The Musician, Junior Musician,** the **Church Library, Recreation,** and **Church Administration.** That Christian printed page is important!

EXECUTIVE COMMITTEE

Richard E. Hicks

The Executive Committee held its four scheduled meetings during the year with an average attendance of 37 people, representing 19 churches. In addition to routine business matters and reports from the heads of the various departments within the Association, much of the time of the final Executive Committee meeting was given to hearing a report from the Missions Committee concerning the future work and program of our Association. This report will appear elsewhere in this book of reports and a recommendation will be brought before the body in this annual meeting.

FOREIGN MISSIONS

Gaither E. Shrum

Our Lord upon giving commission to the Church, exercised a far reaching vision. Today the land of His ministry is the field of service for 25 Southern Baptist missionaries. It has proven true again, "Cast thy bread upon the waters; for thou shalt find it after many days". Yet the land of Isrel is only one of the 61 mission fields served by Southern Baptists. There are 2,070 missionaries serving 4,410 churches and 7,131 mission points. These missionaries minister to a membership of 492,148. There are 1,095 schools, 20 hospitals, 52 clinics and dispensaries, 21 publication centers, 16 orphanages, and 17 goodwill and community centers.

Our 61st mission field was opened this year on February 11th, with the appointment of Robert and May Harris, to the beautiful island of Bermuda. Mr. Harris will serve as the pastor of the English Speaking First Baptist Church, Hamilton Bermuda. In compliance with a recent

edict by the military government of Burma all foreign missionaries must leave that country, both Protestant and Catholic. This decision brings to an end over 150 years of foreign mission work, beginning in the year 1812 with Adoniram and Ann Judson the pioneer missionaries. The work there continues to prosper with over 600,000 Christians and the guarantee of religious freedom for all. Southern Baptists have no personnel in Burma.

The Foreign Mission Board has issued a call for 5,000 missionaries to be placed across the world in the earliest possible time. This call is urgent in that the population of the world is expected to double, from 3 billion to 6 billion in the next 35 years. The greater portion of the 5,000 missionaries should be preachers and their wives, but others qualified in the fields of medicine, education, administration, agriculture, publication, radio and television are urgently needed: "Pray ye therefore the Lord of the harvest, that He would send forth laborers into His harvest".

REEPSVILLE — Installed new baptistry and voted to build a new education house which was started late in the associational year.

SOUTHSIDE — Called Darrell Saunders as pastor, April 3, 1966. Put its Mission, Oak Grove, into a new building May 15, 1966.

WESTPORT — Went from mission status to an organized church in May of 1966, and made application for membership in the association this year.

HOMES FOR THE AGING

Robert Garrett

Reflection on the past year of life in our four Baptist Homes for the Aging is a reminder once again of the goddness of the Lord to us. We are constantly aware of the beautiful way in which He has blessed us, and this has been particularly true since our last report to the good people in our Baptist Associations. During this time we have ministered to 172 deserving older men and women. All of these have been blessed by the love gifts of North Carolina Baptists, through the Special Day offering, received on the third Sunday of February each year, and through our share in the Cooperative Program. The large majority, at least 85%, have benefitted directly from these gifts and have actually been sustained at the point of their financial need. The Special Day offering for 1966 is at an all time high and looks as if it might be $100,000.00 for the first time. This is very good, and we are profoundly grateful. We must not forget, however, that, even though there bas been a 5% increase in the offering from last year, costs have advanced by 7%.

It is anticipated that construction will begin on our fifth home at Yanceyville during the coming year, and when it is completed, we will be able to minister in all of our Homes to 200 older men and women and relieve, in measure, the terrific pressure of a long waiting list of 170 people. This ministry of love in Christ's name is dependent upon the concern, the love, the prayers, and the increased financial support of North Carolina Baptists. We are, therefore, going to count heavily on you and believe that you will not disappoint the aging people who are looking to you urgently for help.

HOME MISSIONS

C. B. Bobbitt

"Howbeit Jesus suffered him not, but saith unto him, Go home to thy friends, and tell them how great things the Lord hath done for thee, and hath compassion on thee. And he departed, and began to publish in Decapolis how great things Jesus had done for him: and all men did marvel." Mark 5:19-20

Demonstrations, demonstrations everywhere! We are besieged by unrest, turmoil, and selfishness throughout our land. Each one seems to have turned to his own way. Home Missions are needed now more

than ever. Our once so-called Christian nation is being exploited and undermined by those who would tear down all our virtues that we held sacred. The Bible and prayer is being pushed out the back door of unbelief. What is our hope? Wherein does our future lie? Our only hope is to bring back the Bible and a renewed faith in Jesus Christ. We need to renew our efforts in witnessing and giving here at home, and to win those nearest and dearest to us. We must not be so far-sighted that we overlook our greatest opportunities here at home.

Missionaries of the Home Mission Board are now serving in every state, in Cuba, Panama, and Puerto Rica. Last year an average of 30 missionaries were appointed each month. At the close of 1963 the Board had 2,222 missionaries. Support for the Home Mission Board comes through the Cooperative Program. Also offerings come from the Annie Armstrong Offering, and from designated funds and from special gifts. The total amount given the Home Mission Board during the year amounted to about sixty-two cents for each Southern Baptist for the entire year which is a fraction more than a nickel per month.

HOSPITAL

William L. Wease

Our Baptist Hospital and Medical Center are a center of healing for body, mind and spirit, a center of training of medical personnel and Christian workers, and a center of scientific research for the advancement of medical care.

Without a vast amount of medical research, there would be no heart surgery today by which lives are saved in our Baptist Hospital almost every week; and the same would be true of almost every new method of treating us when we are sick. Without schools for the training of doctors, nurses, technicians and others, there soon would be no skilled persons in our hospitals or in our communities to care for us when illness comes. Without a staff of highly trained and experienced specialists and a vast amount of expensive specialized equipment, our Baptist Hospital could not offer the highly skilled medical care which is available to us when seriuos illness strikes and a fine medical center is needed. There is throughout the country a very serious shortage of nurses, doctors and technicians. The hospital is making a vital contribution as it works to ease this shortage.

Patient care is the real purpose of the Hospital. It includes serving the total needs of our patients - physical, mental, and spiritual. We have a real Medical Center and we believe it has the staff and the equipment to provide skilled, specialized medical care, as good as any hospital. In 1965, we had 19,369 admissions and from 30 to 40 per cent of our patients were unable to pay the full cost of their care. Another very important fact is that the skilled medical care of our Hospital is made available to people who need it and cannot pay for it. These important services are the work of our Medical Center in Winston Salem.

SCHOLARSHIP COMMISSION

Richard E. Hicks

The Scholarship Cimmission of the South Fork Association has received $224.70 from the churches of the Association during the past year. We wish to commend those churches who participated in the Scholarship Offering Sunday and to urge others who are not yet sharing in this worthy ministry either to set asside a special day for the offering or to include some amount for the Scholarship Commission of the Association in your budget. During the year we granted loans of $150.00 for the Spring semester of 1966 to Mr. & Mrs. Kenneth Pittman and to Mr. Tony Darnell, members of the Lincoln Avenue Church; and for the same semester $150.00 to Mr. Ted Armstrong, member of the First Baptist Church in Maiden. For the Fall semester of this year we have granted loans in the amount of $150.00 to Mr. Tony Darnell, member of the Lincoln Avenue Church, and to Kenneth Pittman, also a member of that church.

We are thankful that through your generosity and concern for our young people your Association is having a share in preparing them for their life's work.

SEMINARY EXTENSION

Robert W. Morrow

In our Association there has been very little interest in the Seminary Extension Courses. Therefore, for the past two years we have had two group schools, running simultaneously, in which we used Study Course Books.

Last year these schools were not well attended. We had only a few of the churches represented. Because of the lack of interest we have not made any plans thus far for a school this year in our Association.

STATE MISSIONS

Lee Roy Denton

North Carolina Baptists are engaged in a great missionary emphasis through the department of State Missions. This emphasis is extended from the mountains to the sea. Included in the work of State Missions are: The Church Development Program; Interracial Cooperation; Fruitland Bible Institute and Camp; Ministry of the Deaf; Seminary Extension Work; Military Ministry; Cherokee Indian Ministry; North Dakota Work; Aid to Pastors and Churches; Institutional Ministries; and cooperation with Associational Missionaries in all phases of mission advance. This department supplements the work of the local churches. In many of the areas of work listed above, the local church cannot provide an adequate ministry. It is the desire of this department to reach the forgotten and neglected persons for Christ who live and work in our state.

The plea of thousands of lost and needy people to State Missions each year is "Come over and help us". Each year our churches are given an opportunity to make a special offering to State Missions in September. In the South Fork Association last year 28 churches gave $2,128.07 to State Missions. It is suggested that all of our churches make a worthy contribution to State Missions each year.

There are very few churches that have not benefitted one way or another through the services rendered by this department. This strategic and far reaching ministry has helped many of our churches with financial aid to secure the services of full time pastors who have led the churches in a full time program of work.

Therefore, believing that Jesus expects us to minister to the spiritual needs of those at home and abroad, your State Missions department under the capable leadership of Dr. E. L. Spivey, seeks to carry out the Great Commission of Jesus in our state. Our prayers and financial support make us a part of this great spiritual ministry.

STEWARDSHIP REPORT

Fred E. Thompson

The Division of Stewardship Promotion reports that each year more churches increase their Cooperative Program giving. Several associations in North Carolina report that 100% of their churches give through the Cooperative Program. According to available records, the South Fork

Association in 1965 had 41 of its 45 churches contributing to missions through this program. The total contributions for that year was $62,345. This past year the association gave $..... and ..... churches participated.

Through the Cooperative Program Baptists are sending 2,159 missionaries to preach the gospel in 62 countries. Also, through this program Baptists are privileged to minister to the physical and spiritual needs of many persons in children's homes, hospitals, schools, and homes for the aged.

SUNDAY SCHOOL

Robert M. Garrett

During the past year we have had several program, some successful and some not so successful. One of the successful ones with which we are very pleased is the Vacation Bible Schools in our churches. At the writing of this report there have been 35 schools reported for 1966. At the same time last year there were 36 reported. Enrollment for 1966 was 2,946 compared with 3,662 in 1965. The greater results are evident in the 1966 schools with 107 professions of faith compared with 89 in 1965. Although there was one less school and a smaller enrollment, the primary purpose of winning souls has been better accomplished.

A school for teachers of January Bible Study was held and we hope will be a precedent for years to come.

An Associational Witnessing Campaign and course for Sunday School teachers were planned, but due to circumstances were not held.

The Sunday School is still the evangelistic arm of the church. An analysis survey of 1965 baptisms by the Division of Evangelism of North Carolina reveals that 89% of total baptisms were enrolled in Sunday School . .43% of these were won during revivals. A most significant fact is that 50% of the total number baptized were Intermediates, Young People and Adults.

During the coming year the Southern Baptist Convention is introducing a church growth plan to reach Adults. This is based on the evangelism as recorded in the Book of Acts. Please give it your prayerful consideration.

The North Carolina Baptist State Convention has introduced a Five-Year Spiritual Growth Program. You are also urged prayerfully to consider this program as means to fulfill the Commission of our Lord - "Go ... teach ... and baptize."

SOUTH MOUNTAIN BAPTIST CAMP

Mrs. W. G. Bandy

God blessed your South Mountain Baptist Camp with another wonderful season. Many who came had a deep experience with God. Their mission vision was broadened. They learned how everyone should help proclaim the message of Christ throughout the whole world. Over 1800 attended your camp during the summer for some kind of planned activity including 102 from your association. There were 689 decisions made for Christ, including 136 professions of faith. There were 500 honor awards earned by participating in the camp activities.

The road into the camp was paved in July at a cost of $14,393. Half of this has been paid. However, we had to use some of our operating funds to do this. The remaining $7,196 has to be paid by February 15, 1967. Your investment in this road paving project will help us to make the road to Jesus and to a deeper committed life clearer for hundreds of boys and girls each year. A two-story staff building and a missionary cottage is being built.

Churches, associations, pastors' conferences, and church groups are urged to use the camp for clinics, suppers, and picnics. For information contact T. A. Lineberger, Route 1, Box 229-L, Connelly Springs, N. C.

TRAINING UNION

Melvin F. Robinson

Our Training Union of the Association participated in the following: "M" Night was held at Mt. Ruhama with an attendance of 567 representing 33 churches, 25 directors and 26 pastors. The Rev. Jack Wilder of the Florida Street Baptist Church of Greensboro was the guest speaker. A dinner meeting consisting of the directors and officers of the churches and association was held at Slick's Grill in November with good attendance. Another meeting is being planned for this year. The Training Union tournaments were held at Salem Church and this took the place of the regular Spiritual Growth meeting. The tournaments were inspiring to many who had not witnessed this part of our associational work.

A panel discussion was sponsored at the June Spiritual Growth meeting at the Piney Grove Church.

Altogether this year in Training Union, the work has not been outstanding. Our records will be published in the Minutes, however, the results will only be known in Heaven. So let's apply ourselves to the task during the coming year and do a great work for the Lord.

WOMAN'S MISSIONARY UNION

Mrs. Richard E .Hicks

This year as we have sought to carry out our Watchword, "To preach the everlasting gospel unto them that dwell on the earth and to every nation and kindred and tongue and people", major emphasis has been put upon seeking to establish at least one missionary organization in each church. We did not succeed completely, but some progress was made. A new society was organized in the Mathis Chapel Church; a new G.A. at Westport and Maiden First; a new World Friends at Macedonia; a new Y.W.A. at Salem; and possibly others not known at this time.

Our Annual Banquet was well attended by an overflow crowd, at which time the theme for Foreign Mission Study was used. Mrs. W. E. Allen, retired missionary to Brazil, was our inspirational speaker.

Our youth organizations continue to function in a splendid way and we are grateful for our leaders.

The Southside Church served as gracious host to our Annual Meeting in April. Reverend Meeler Markham from the Home Mission Board challenged each of us to be better missionaries in our own home.

LAWRENCE ALEXANDER McCLURE

1890-1966

Lawrence Alexander McClure was born October 10, 1890, in the Mt. Zion Church community, Alexis, North Carolina, and after his ordination to the gospel ministry by the Mt. Zion Baptist Church on June 18, 1925, he served God and his fellowman for more than forty-one years.

Brother McClure was the son of Reverend W.B. McClure and Tina Holland McClure, who gave the land for the Mt. Zion Baptist Church of this Association. On December 8, 1907, he married Edna Rose Anna Helderman, and to them were born six daughters and one son, of which five daughters survive.

After preaching his first sermon at Kid's Chapel (now Poole's Chapel) in 1924, he served many churches in this Association. They are as follows: Center View (1925-1943), Mountain View (1925-1943) (1948-1951), Mount Ruhama (1926-1959), Kid's Chapel (1926-1928), Lawing's Chapel (1926-1943) (1948-1951), Salem (1927)-Interim, Denver (1933-1943), Amity (1936-1941), Macedonia (1937-1943)(1959-1961), and Alexis of the Gaston Association (1943-1948). During his pastorates he baptized 1,350, conducted or helped with 1,065 funerals, preached 129 revival meetings, and married 194 couples.

He was active in all Associational affairs, serving as Moderator for the 1948, 1949, and 1950 sessions. He was the preacher for the annual sermon in 1939.

Mr. Cain said he "would not go overtime and this was a promise faithfully made, even though it is not kept." He called attention to the fact that our Superintendent of Missions was participating on $4,000 only, and not the full salary. He also noted the churches in the association that were in the Annuity program and those that were not. He urged all churches to participate.

The Woman's Missionary Union report was given by the President, Mrs. Robert M. Garrett, who announced a Foreign Mission Institute at the Gainsville Church on October 19, 1967, and emphasized the participation of all in mission action outside the four walls of a church. She called attention to the printed report of Woman's Missionary Union in the Book of Reports.

Christian Literature report was given by Bill Miller, who introduced Marse Grant, editor of the "Biblical Recorder." Mr. Grant submitted the following query: "Is not the person who has 20-20 vision and does not read worse off than the blind person?"

The Memorial Service was conducted by C.B. Bobbitt. The hymn "Faith of Our Fathers" was played softly as he read the names of the deceased for the past year, and then prayer.

The congregation then joined in singing the hymn, "I Am Thine, O Lord." M.O. Owens, Jr. of the Parkwood Church, Gaston Association, was introduced by the moderator. Mr. Owens' subject was "My Life: The Key." He used selected verses of scripture from Galatians 5:16-26, Ephesians 5:15-20, and I Corinthians, chapters 2 and 3. Mr. Owens climaxed the morning session with an inspirational message.

Benediction and thanks were offered by Bill Jones.

WEDNESDAY AFTERNOON

Again the host church, assisted by the Calvary Church, Newton, and Pearl Church, served another of the usual delightful and plentiful meals.

The afternoon session was called to order at 1:00 P.M. The service began with the singing of the hymn "Breathe On Me" followed by a devotion "Filled With the Holy Spirit" by Superintendent of Missions, James B. McQuere.

Business was begun with the announcement that there were 203 registered.

The Christian Action League report was given by Morrison L. Bailey, and an offering was received in the amount of $65.87.

The moderator recognized Ray Scism, Chairman of the Committee on Constitution, who moved the acceptance of the recommended changes read on the first day. Motion carried.

The moderator then recognized Bill Miller, Chairman of the Church Extension Committee, for the following report: "In accordance with the change of Section III of the Constitution; and the letter of request from the North Brook Baptist Church; and the letter of recommendation from the Kings Mountain Baptist Association; and the note of information read for your hearing yesterday, the Church Extension Committee recommends to the assembly that the North Brook Baptist Church be accepted into the full fellowship and membership of the South Fork Baptist Association." And further, "After this year of watchcare and in accordance with the constitution, the Church Extension Committee recommends to this assembly that the Westport

Baptist Church be accepted into the full fellowship and membership of the South Fork Baptist Association." Motion made and carried. Following this action, the moderator requested the vice-moderator to extend the right hand of fellowship to these churches. The acceptance was made by the Pastor, Coy Dellinger, for North Brook Church, and by Mrs. C.F. Shelby for the Westport Church.

Moderator recognized Bill Miller who made the motion that the minutes be dedicated to the memory of Lawrence Alexander McClure for his many years of service in the Association. Motion carried.

The Place and Preacher Committee report was given by Earl Henry as follows: "The Association to meet the first day with the Salem Church, and the second day with the Hull's Grove Church; the preacher, E.W. Friday, alternate Robert M. Garrett." Moved and carried.

The Nominating Committee report was made by Paul K. Drum and was moved and accepted as printed in the Book of Reports.

The Committee on Committees report was presented by Darrell Saunders, who read the report. Motion was made that the report be accepted as read and corrected. Carried.

Miscellaneous business: The moderator recognized Herbert Miller with the following motion: "I move you, sir, that the moderator appoint a special committee of four to work with the Committee on the Constitution for the purpose of studying and reviewing the present Constitution as to its need to be revised or rewritten; and that this Committee bring its recommendations to the next Annual Session; and that the Program Committee be instructed to allot sufficient time on the program to consider this matter." Carried.

The moderator recognized Ray Scism who moved the acceptance of the recommendation concerning Article X and Article XII, Section 13, of the Constitution. Seconded. It was pointed out that the following from the present Section 13 would be included: "and shall present nominations to the Executive Committee to fill any vacancy which may occur during the year." Motion carried.

Resolutions were read by A.R. Waters.

The Christian Education report was given by Lee Roy Denton, who introduced Tom McGraw of Gardner-Webb College.

The Homes for the Aging report was presented by the Superintendent of Missions in the absence of Alvin Hoyle.

Election of Officers: Only one name was presented for each of the four offices and all were elected by acclamation. The outgoing moderator, Richard E. Hicks, led in the installation of the new officers.

The congregation then joined in singing the hymn "I Love To Tell the Story" and this was followed by a missionary presentation with the use of audio-visual aids by the William Mitchiners.

William A. Poole, representing the Homes for the Aging, was recognized. An excellent program well received.

Benediction was pronounced by Morrison L. Bailey.

WOMAN'S MISSIONARY UNION

Mrs. Jack Johnson welcomed ladies of the South Fork Woman's Missionary Union to Cedar Grove Church for the Fifty-eighth Annual Session on Tuesday, April 4, 1967.

"A Learning Fellowship" was the theme for the meeting. Mrs. R.M. Garrett, President, presided.

The afternoon session began with the congregation singing a hymn, followed by the "Call to Prayer" conducted by Mrs. Herbert Bryant and an inspiring devotional led by Mrs. Gaither Shrum. Special music was presented by Mrs. John Cook.

Following reports, recognitions and announcements, officers for the new year were elected. Mrs. Garrett led a panel of pastors and WMU presidents in interpreting the theme of the meeting.

Mr. Alvin Walker, retiring Associational Missionary, was honored with words of appreciation and a gift from the WMU.

The evening session, following the fellowship hour, was opened with a devotional drama presented by members of the Antioch WMU. Mr. Charles Burke presented special music. A very challenging message was brought by the Reverend William T. Roberson, missionary to Vietnam.

The Reverend Jack Johnson installed the new officers with a closing prayer of dedication.

Mrs. Richard L. Keever
Recording Secretary

The next annual session will be held on April 2, 1968, at Calvary Church in Lincolnton.

ACTIVITIES COMMITTEE

Alvin A. Walker

In developing the calendar of activities for 1967, (which begins in January), the committee enlarged on a plan already in use. This is in respect to the monthly meetings. The first part of these meetings was devoted to short conferences (monthly) for workers in Training Union, Sunday School, Woman's Missionary Union, Brotherhood and Music. The main feature was not necessarily devoted to one of our main departments. For the first time perhaps, we featured the Assemblies and Christian Education. It seems that this plan is highly acceptable except for the matter of starting promptly. The calendar as usual, was developed to work with the State and Southern Conventions.

On May 31, 1967, I retired as Superintendent of Missions, having served twenty-one years and six months in this office. After it was known that I would retire, the Mission Committee went to work and located a replacement who, with the approval of the Executive Committee took office officially June 1, 1967. The Rev. James B. McQuere had served the West Franklin Avenue Church in Gastonia for fourteen years, and continued to commute from Gastonia for a few weeks while Mrs. Walker and I were privileged to reside in the mission house awaiting completion of a house in Newton. He used an office in a nearby business building which afforded me the pleasure of being near him and his work even after my official retirement.

Work for the year lends itself somewhat to disadvantage for statistical reports. Perhaps the most significant report is the smooth transition of the association workers and their programs.

AMERICAN BIBLE SOCIETY

Robert M. Garrett

1966 - "The Year of the Bible" - commemorates the American Bible Society's 150 years of service in supplying God's Word to the world. The Bible, which is our purpose for existence, is ageless. Its message is an relevant for today as it was in 1816

and the Society is convinced that it will continue to speak with power, persuasiveness and truth in the unfolding space age - in every age.

1. TRANSLATION. At present, counsel, supervision and financial assistance are being given more than 3,000 translators in 150 countries in translating and revising the Scriptures into many of the world's languages and dialects. At least one complete Book of the Bible has now been translated into more than 1,250 languages and dialects.

2. PUBLICATION. Scriptures in unique sizes and formats are being produced here and overseas to meet varied needs and uses.

3. DISTRIBUTION - with special emphasis on Reading and Use. By sale and donation (with particular consideration for the blind and those in need of a special ministry), God's Word is spread abroad through the Society's agencies and distributors, churches, Christian Workers, missionaries, pastors, campus ministers and evangelists.

The Society's work is made possible solely by voluntary gifts from churches and individuals. The single purpose of the American Bible Society is to help in the sowing and sharing of God's Word throughout the world. By including cash with orders, maximum return is secured from these voluntary gifts.

ANNUITY BOARD

Earl Henry

Response to the new program of family and retirement protection during the first quarter of 1967 indicates entheusiastic acceptance by ministers and denominational employees. During the first three months of 1967, more than 1,000 persons joined some part of the three-plan program as compared with only 685 during the first quarter of 1966.

The new Program called the Southern Baptist Protection Program, provides additional benefits for disability, new benefits for children, education of children and dependent parent. The new Protection Program incorporates the three plans into one certificate. The three plans are: Southern Baptist Protection Plan, which is now Plan "A"; Age Security Plan, now called Plan "B"; and Variable Benefit Plan, now Plan "C."

Because of action taken by the trustees of the Annuity Board in February, each person receiving a guaranteed benefit from the Board was mailed a "dividend" check. Each check was for an amount equal to one-twelfth of the person's annual benefit. These checks were made possible because of excess interest earnings. Approval was given to mail these dividend checks annually, providing the Board realizes and excess in interest earnings. In 1966, more than $4,256,244 was paid in age retirement, disability or widow benefits to persons who had participated in the Protection Program.

A retirement program based on $4,000 salary is no longer adequate to meet the needs of a minister when he retires. There seems to be no hope of a leveling off of the inflationary trends. Because of this, the new Protection Program was started so churches could help their pastors increase their retirement protection. Now a church may participate on the total salary of its pastors or other employees. Ten percent dues on total salary are recommended as minimum. Most churches pay both member and church dues.

Rev. Guy Cain promotes the Protection Program in North Carolina. For information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsborough Street, Raleigh, North Carolina 27603.

BAPTIST CHILDREN'S HOME

E.W. Friday

No task is more important than helping a child to grow into a healthy, well-adjusted, responsible citizenship. At the Children's Homes we seek to provide the proper atmosphere, encouragement and supervision to assure the development of in-born, God given talents of our children.

A total of 33 cottages on five campuses provide group care of different kinds. There are two residences for emotionally disturbed children, convenient to a great medical center where psychiatric services are available. This fall, for the first time, a single cottage at Wallburg is being opened for the rehabilitation of boys. In addition to group homes, the needs of many children are met through the use of Foster Homes. Many families are finding happiness and opportunity for service in caring for foster children. Thus, many boys and girls who otherwise would not have this opportunity, are privileged to grow up in Christian homes.

Regional case work centers, staffed by trained social workers, are located in six prominent areas of the State and add to the ability of the Homes to offer counseling services to distressed families and to those for whom family rehabilitation has been achieved.

In June of 1967 the first of the new family living cottages was completed and is being used by brothers and sisters who can profit by sharing the same home. It is a model for the family living approach in group child care.

The Child Development Center on the Mills Home Campus was established to serve the local community as a means of strengthening family life and to provide a demonstration and informational program which can offer assistance to churches in beginning any phase of weekday care and education for preschool children.

Members of the Board of Trustees and the Staff of the Children's Homes are committed to the task of maintaining a Christian Program of Child Care - a program that will merit the undivided support and loyalty of our people, and that will bring favor to our Lord.

CHRISTIAN ACTION LEAGUE

Morrison L. Bailey

The American people each year spend 13.5 million dollars for alcoholic beverage, or $1,541.96 an hour. Evil men, who wax worse and worse, will go to any end to promote this lucrative business. We will not win the war against this social evil, this public enemy without a fight, without sacrifice, without prayer. It won't go away if we ignore it; it must be fought. Failure to take a stand against beer, wine and whisky will not be excused by the passive statement "we will always have it." We will always have sickness, disease, poverty, war, hate and evil; but is it reason enough to quit fighting?

As a result of unbridled consumption of alcohol, there are 8 million alcoholics and problem drinkers in the United States, a number larger than the combined population of Chicago, San Francisco, Philadelphia and Detroit. Alcoholism has reached epidemic proportions. Of every 13 adults in the country, one is an alcoholic or near alcoholic.

The wet forces say legal liquor eliminates bootlegging. Atlanta, a wet city, admits it has become the bootleg capitol of Dixie. Those who promote legal liquor say it is a financial asset to the nation. Careful study show that "for every dollar received in any form as a result of the use of a alcoholic beverage cost the city of Atlanta $6.43." The liquor business cost the people of North Carolina $18.64 for every $1.00 received

in taxes on alcoholic beverages.

The wet thinking is that "where there's life there's bud." The fact is that where there is drink, there is not life, but danger, disaster and death. The Surgeon General of the United States has stated that alcohol causes many times more deaths than all of the infectious diseases.

How long before we awake to the truth that drinking and making available alcohol as a beverage is a disgrace, a moral wrong and a criminal offense against society?

We have through the CHRISTIAN ACTION LEAGUE a force of opposition and source of information. We should see to it that the CHRISTIAN ACTION LEAGUE is placed in our church budget and on our personal prayer list.

Every citizen should receive the monthly paper "TOMORROW."

CHRISTIAN EDUCATION

Lee Roy Denton

The enrollment in North Carolina Baptist Colleges for the year 1966-1967 was 11,347 students. The seven colleges reported the following enrollment: Campbell 2,267; Chowan 1,234; Gardner-Webb 1,262; Mars Hill 1,371; Meredith 930; Wake Forest University 3,022 and Wingate 1,561.

Baptist Colleges in North Carolina and elsewhere in the Southern Baptist Convention continue to train the vast majority of the church vocational workers. Since a great deal is heard about the number of young people answering the call to full time Christian service, the Christian colleges, working through the Council on Christian Higher Education, are trying to find ways to reverse this trend. The responsibility to train Christians and send them back to their communities as dedicated laymen is also a vital part of the Christian college.

The Baptist Colleges in North Carolina continue to be grateful to the Co-operative Program and Christian Education Day Offering for the vital financial support they give these institutions. For the year 1967, $1,578,960 has been budgeted through the Co-operative Program. In 1966, the Christian Education Day offering amounted to $132,046. The churches of this Association can have a greater part of the Christian Education ministry by increasing their gifts through the Co-operative Program and the Christian Education Day Offering in June.

Wake Forest College officially became Wake Forest University June 12, 1967. Dr. Ralph Scales assumed his duties as president of Wake Forest University July 1 replacing Dr. Harold W. Tribble who retired. Campbell College got a new president June 1, when Dr. Norman A. Wiggins took the reins of the college upon the retirement of Dr. Leslie H. Campbell.

We urge every church in the South Fork Baptist Association to do all it can to help adequately support our Baptist Colleges.

CHRISTIAN LITERATURE

Billy R. Miller

It is altogether possible that the lack of reading is one of the greatest of all Southern Baptists shortcomings. A trip to the post office on delivery day of any of our publications is indicative of what some of our people think of the literature which has been painstakingly prepared for this particular people. Think how much better we would be prepared to face the issues of the day if we read this material rather than disposing of it in the trash receptacles provided by the post office department. We are told in II Timothy 2:15 (Amplified New Testament) to "STUDY AND BE EAGER

AND DO YOUR UTMOST TO PRESENT YOURSELF TO GOD APPROVED (TESTED BY TRIAL), A WORKMAN WHO HAS NO CAUSE TO BE ASHAMED, CORRECTLY ANALYZING AND ACCURATELY DIVIDING - RIGHTLY HANDLING AND SKILLFULLY TEACHING - THE WORD OF TRUTH."

In addition to our regular Sunday materials and organizational literature (S.S. Quarterlies, T.U. Quarterlies, W.M.U., G.A., Brotherhood, R.A.) we are provided with many outstanding periodicals: BIBLICAL RECORDER, CHARITY AND CHILDREN, N.C. BAPTIST HOMES BULLETIN, COMMISSION, HOME LIFE, BUILDER, CHURCH ADMINISTRATION, CHURCH LIBRARY, RECREATION, THE MUSICIAN and JUNIOR MUSICIAN, Mission publications both Home and Foreign.

These publications are designed to inform, so let us be informed.

EXECUTIVE COMMITTEE

Richard E. Hicks

In addition to the four regularly scheduled meetings, your Executive Committee held a fifth meeting for the purpose of considering the recommendation of the Missions Committee that a call be extended to the Rev. James B. McQuere as the new Associational Missions Superintendent. This recommendation, as you know, was adopted; and Mr. McQuere has been very actively involved in the Associational work since June 1, 1967. Our five meetings had an average attendance of 34 persons, 16 pastors and 18 laymen, who represented 16 churches.

I would respectively remind you - every pastor and each lay member of the Executive Committee - that our responsibility is a very important one, and one that merits a much better attendance and support than that of the past year. Your regularity in attending these meetings will mean much to the success of the Association's program and to the in-coming Moderator.

In a very real sense, South Fork Association now stands at its most opportune hour. The ministry which is before us is truly worthy of our finest support. During the next year let every church shoulder its full share of the responsibility. Let us lend our personal time and talent to the great cause for which we are associated; and, let each church do its utmost to meet its financial quota.

EVANGELISM

Darrell Saunders

This past Associational Year the churches of our Association baptized 388 persons. This represents a ratio of one baptism for every 27 members. We are grateful to God for every person who has been brought to confess Jesus Christ as Lord, and we call upon our churches to give themselves with renewed vigor to evangelism - the work that brought Christ from heaven to earth. The very heart of our existence as churches is evangelism, and this must be a two-pronged thrust. We must (1) PUBLICLY proclaim the Gospel, which is the power of God unto salvation; and we must (2) PERSONALLY win others to Christ. "Every Christian, a Witness" must become a reality, rather than a slogan in our lives.

We face a tremendous evangelistic challenge in the Crusade of the Americas. This is MORE than just a two-week period of revivals. It is an emphasis on EVANGELISM which should occupy us throughout 1968, 1969 and 1970. We have been challenged by one of our mission fields, Brazil, to give ourselves to the work of

evangelism and world missions for 1968-69. Some of the challenges in the Crusade of the Americas are:

NATION-WIDE EMPHASIS ON PRAYER: (1). Two days of prayer-January 14, 1968, and January 12, 1969. (2). PACT: A program of "prayer partners" with individuals, groups, and churches of the "other Americas" which will be initiated in July-August, 1968; (3). Watch Night Prayer Service, December 31, 1968.

NATION-WIDE SEARCH FOR PROSPECTS: May, June, July, August 1968.

NATION-WIDE VISITATION WITNESSING: September, October, November, 1968.

NATION-WIDE CRUSADE OF THE AMERICAS REVIVALS: March 16-30; April 6-20; April 27-May 11, 1969.

NATION-WIDE EMPHASIS ON NEW MEMBER ORIENTATION: This will follow Crusade of the Americas Revivals. The study of the book "Daring Discipleship" will launch this new member orientation program.

SPECIAL EMPHASIS IN NORTH CAROLINA ON CHRISTIAN MATURITY: January 1-December 31, 1970.

Adequate guidance material for cooperation with, and preparation for, the Crusade of the Americas is provided in the 1967-68 EVANGELISM PLAN BOOK, which is already available, and in the 1968-69 EVANGELISM PLAN BOOK, which will be available after July of 1968 from the Division of Evangelism, 301 Hillsborough Street, Raleigh, North Carolina 27603.

FOREIGN MISSION

Eugene B. Elmore

Southern Baptist missionaries were under appointment to 65 countries or political entitles on May 1, 1967. During 1966 a couple took up residence in Ivory Coast, and a couple was appointed to Morocco. Missionaries appointed in early 1967, are awaiting permission to enter Ethiopia and Botswana.

At the close of 1966 the Southern Baptist Foreign Mission Board had an overseas staff of 2,208. This included 65 missionary associates, 7 special project nurses, and 92 missionary journeymen. Appointments during the year totaled 207 (131 career, 20 associated, 48 journeymen, 3 special project medical persons, and 5 reappointed). Between January and May, 1967, forty-five more were added. Even with the additional appointments, many missionary personnel needs are still unmet. Preachers and medical people continue to be most urgently requested. Also, there are calls for those trained in teaching (seminary) business, agriculture, radio and TV, journalism and student work.

Total contributions of Southern Baptists for foreign missions amounted to $27,047,200 as 1966 closed (an increase of $2,063,276 over 1965). The 1966 Lottie Moon Christmas Offering had reached a total of $13,760,146.80 by May 1, 1967.

Still, needs continue to be far beyond financial resources. Unfilled requests from the Missions for urgently needed land, equipment and building amounted to several million dollars.

OTHER:

Protestant missionaries of all denominations on active service throughout the world now number about 43,000 according to French Protestant Information Service in Paris. Of these, 27,000 come from the United States and Canada. Another 7,000 are from Great Britain, 1,700 from Australia, 1,540 from Sweden, 1,300 from Germany, 538 from Switzerland and 350 from France. They were not listed by denominations. The statistics include the wives of missionaries who, in general, also have full-time missionary responsibility, according to the Foreign Missions Report.

BAPTIST FOUNDATION

C. Gordon Maddrey

In the absence of our very efficient Executive Secretary of the Baptist Foundation of North Carolina, we shall attempt to provide a brief report for such use as may be necessary for the Associational Meetings beginning the first week in August. Certainly in the history of the work of the Baptist Foundation and especially in its last four years of active promotion, 1967 will be remembered as a year of tragedy with our leadership. For some months our Chairman, Dr. I.G. Greer, has been critically ill at his home in Chapel Hill. Some two weeks ago our Executive Secretary, C. Gordon

Maddrey, was stricken with a series of heart attacks and has remained in critical condition in Rex Hospital. The loss of the leadership of these two faithful men at any time would be tragic, but especially as we approach the annual meetings of our Associations throughout the Convention.

If Mr. Maddrey were able to prepare this report, he would thrill us with the many interesting and challenging developments up to the time of his illness two weeks ago. This has been the most fruitful year in the work of the Foundation with many new commitments and marked progress in developing some of the projects of large standing. This is especially true of the new Home for the Aging in Yanceyville which you will hear much more about in the report on the Homes for the Aging. Certainly this will continue to constitute a great challenge to many of our people who can find in the Baptist Foundation their finest opportunity for investing in Kingdom Enterprises.

HOMES FOR THE AGING

William A. Poole

Your North Carolina Baptist Homes for the Aging have been on the move during the past year. In fact, we will be ready to move into our new Home at Yanceyville in September and will be able to receive 30 more dear old people into the family of our Homes. When the Yanceyville Home, our fifth, is occupied, we will have a total of 200 deserving older men and women in our care in all of the Homes.

As you know, we now have four Homes and an Infirmary in operation. Resthaven and the Hayes Home in Winston-Salem; the Albemarle Home in Albemarle; the Hamilton Home in Hamilton. In these Homes you have an eternal investment and can rejoice in the loving care which you are making possible for our older people. The majority are financially needy persons, and are supplemented through the love gifts of North Carolina Baptists. Two sources of income from the churches are increasingly vital in the support of our residents - the Special Day Offering, received on the 3rd Sunday of February each year, and our share in the Cooperative Program.

The Special Day Offering for 1967 is at an all-time high and has increased by 10% over last year. This is most commendable, but when we face the reality of costs, which have advanced by 20%, and the maintenance of a new Home and the care of 30 additional residents at Yanceyville, we could face a real crisis during the next year unless the gifts from our Baptist people continue to increase in proportion to our needs.

We wish to thank all of our Baptist people across the State who are enabling us to minister to the aging in Christ's Name, and we want all of you to know that each of your 5 Homes exists for the people from all over our great State. We could not operate without your love, your prayers, your concern and your financial support.

In the midst of our joys have been our sorrows. Our oldest resident, Aunt Fannie Drumwright, passed away in June, just short of her 106th birthday. She came to live with us at the age of 93, and the 13 years of her presence with us have been a shining example of the special significance of a Christian ministry to older people. The compassionate nursing care alone which this little lady received is reason enough to thank God for the people called Baptists, whose vision and concern for mankind have included the aging in answering the Master's call in the service for the Lord.

HOME MISSION

Frank Taylor

There were overflow crowds at the Conferences both at Glorieta and Ridgecrest this year. The enrolment reached a new record of over three thousand.

The theme "Care Finds a Way," reflects the broad need and concerns of our home missions task. Some of the subjects treated to point up this concern were: Church Weekday Ministries, Language Missions, Literacy, Inner-City Ministries, Resort Ministries, Juvenile Rehabilitation and Problems of the Aging.

The Home Mission Board Executive Secretary, Arthur Rutledge, told the conference that "We must be responsible for the totality of man. A Gospel that only proclaims is not enough."

The focal point in Home Missions for the near future will center around three areas: metropolitan, rural-urban and pioneer missions.

HOSPITAL

William L. Wease

The opportunity of serving persons created in the image of God is a high and holy privilege. You and I have the opportunity in the multiplied thousands who are sick in body, mind and spirit, who come to the Baptist Hospital seeking help. Each member of every Baptist church in our association has the great privilege and opportunity to help in this great ministry through the Mother's Day Offering. I am sure God will greatly bless the church and each one that gives to this great cause.

Ministering to the sick, lame, blind, deaf and dumb was one of our dear Lord's personal ministries when He was on the earth in human flesh. I am sure He expects the same token of love from all of His children.

The kind of medical care provided by our Hospital is very expensive. The hospital has been spending in free care for our people far more than it receives from our Mothers Day Offering, the Co-operative Program and all welfare agencies. This has caused the hospital to run into debt and they asked for a forty percent increase in the Mothers Day Offering. Many responded to this great ministry and challenge and God will bless greatly.

I appreciate your response to the plea for this cause. Please give generously. May God bless each one of you.

MISSIONS COMMITTEE

Charles N. Cranford

The Missions Committee has approved a gift of $140.00 this year, to the Coral Park Mission. This was in keeping with the recommendation of the Executive Committee at the 1966 annual meeting of the Association.

The Missions Committee has also given considerable time, effort, thought and prayer to the selection of a suitable nominee for recommendation to replace Rev. Alvin A. Walker, who retired this year from his duties as Superintendent of Missions for the Association. Rev. James B. McQuere was ultimately recommended to fill this vacancy, and was subsequently duly employed by the Executive Committee to fulfill the duties of this office.

The Committee is currently formulating plans and activities for the coming year, in cooperation with the present Associational Superintendent of Missions, the Rev. McQuere.

The meetings of our Association have been well publicized by the heads of the organizations and by the associational newsletter.

The special meetings have been released to the area newspapers, which have given us good coverage.

The most publicized events have been "m" night, the annual WMU meeting and the annual meeting of the Association.

SCHOLARSHIP COMMISSION TREASURER'S REPORT

Earl Henry

The Scholarship Commission of the South Fork Association has received $110.00 from the churches of the Association during the past year. We wish to commend those churches who participated in the Scholarship Offering Sunday and to urge others who are not yet sharing in this to include some amount for the Scholarship Commission in your budget or set aside a special day for the offering. During the year we granted loans of $150.00 for the Spring semester of 1967 to Mr. Tony Darnell and Mr. Kenneth Pittman, members of the Lincoln Avenue Church; and for the same semester $150.00 to Mr. B.C. Beal Jr., member of Southside Church.

We are thankful that through your concern for our young people, your Association is having a share in preparing them for their life's work.

STATE MISSIONS

D. Harding Caldwell

Reaching out and aiding other people is the key to success in the new dimensions of State Missions. State Missions endeavor to lead people to Christ and lead professing Christians to grow in grace and in favor with God and man.

By the time this report will be read, the emphasis for State Missions Sunday, on September 17th will be over. To those who have not accepted the challenge there is time yet to set a date for this special emphasis. Our State Missions offering for 1966 was $2,549.00 with thirty churches participating. This was an increase of about twenty per cent over the previous year with two additional churches participating.

The goal for the state has been set at $2000,000.00 again this year. Twenty per cent of the offering will go to help up-grade Fruitland Bible Institute.

During the past year Dr. E.L. Spivey has retired as Director of State Missions and Howard J. Ford has been named as the new director.

While assisting work already established, new frontiers are opening. There are new dimensions for the Japanese, new horizons for the deaf and new visions for some pastors because of Fruitland.

The money we dedicate to God through State Missions will open new frontiers and add new dimensions to those in prison, to the stranger within the gates of North Carolina, the deaf, to many churches through the pastors trained at Fruitland, and through the many other facets of State Missions. This dedicated State Missions money from our special offerings and the Cooperative Program is saving men from despair and suffering. Christ is redeeming men from sin through our state missionaries. You and I can have a vital part in this great work.

STEWARDSHIP

W. Darrell Saunders

The question--What IS the Cooperative Program?--is often heard. Despite the fact that Southern Baptists have been sharing the gospel through the Cooperative Program since 1925 many do not know what this plan is.

The answer is simple. What the BUDGET is to the local church, the COOPERATIVE PROGRAM is to the denomination. It is SUPPORT for ALL missionary causes at home and abroad--it's PREACHING the gospel--it's HEALING in the name of Jesus through hospitals and clinics everywhere--it is TEACHING and TRAINING Christian leaders for all the great tasks of Kingdom endeavor.

As we worship with tithes and offerings Sunday by Sunday, and as our church channels a part of its income through the Cooperative Program, we enter into partnership with God and with one another in obedience to the command. "Go.... preach .... teach.... !"

Last year, (1966), North Carolina Baptists gave $5,787,311 through the Cooperative Program. Supplementing this with Special Offerings amounting to $2,897,639, we gave a total of $8,684,950 for all mission causes! Two associations, (Anson and Yates), had 100% of their churches giving through the Cooperative Program, while 42 of the 46 churches in our South Fork Association gave in this way.

According to available records, the churches of our Association gave $69,837.00 for World Missions through the Cooperative Program during the Associational Year which ended August 31, 1967.

Let us resolve to pray earnestly for all Kingdom work and to support our prayers with sacrificial giving of self and substance in the new year just before us.

Each church in our Association is urged to:

(1) Carefully plan, vigorously promote, and enthusiastically give a WORTHY budget during this coming year.

(2) Give special emphasis to prayer for Cooperative Program causes during October.

(3) Give regularly, a worthy amount through the Cooperative Program.

(4) Increase Cooperative Program giving by at least 10% during the coming year in response to the special call of the General Board of Baptist State Convention.

SUNDAY SCHOOL REPORT

Ray Scism

The year 1967 has been overall, a good year in the work of our Lord through the Sunday School in our South Fork Association.

One of the highlights in the work was the Vacation Bible Schools in the various churches. At the writing of this report, there have been 33 schools reported compared with 35 at the same time last year. Total enrollment for 1967 was 3,327 compared with 2,946 in 1966. There were 48 professions of faith reported for the year 1967, compared with 107 for 1966.

Another highlight for this year was Sunday School "Action Night" which was held at East Maiden Baptist Church. Total attendance for this meeting was 176. There were 18 pastors present and 11 Sunday School Superintendents.

Let us ever keep in mind that the main task of the Sunday School is the winning of the lost and the teaching of the Word of God as set forth in the Great Commission Matthew 28:19, 20.

Realizing that the year 1967 (Associationally speaking) is now history, and that a whole new year of opportunity lies ahead of us, let us be reminded of the words of the apostle, ".....forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus" Philippians 3:13, 14.

TRAINING UNION

Melvin Robinson

The Training Unions of the South Fork Association have not created any great records statistically wise this year. However, we are sure that the work that has transpired will leave its mark through eternity.

The activities of our Training Union are as follows:

1. Participation in the Spiritual Growth Programs monthly.
2. Conducted tournaments - Junior Memory Work was good - we were lacking participants in other areas of work.
3. The "M" Night feature was in the form of a drama directed by Reverend and Mrs. Robert Garrett. According to comments, the message was well taken.
4. Pearl Church received the Achievement Award, an engraved plaque, with an average percentage of attendance for year of 84.3.

We would request that this year every Christian put Christ where He belongs in their lives - "first." If this is done, we will certainly see some changes.

WOMAN'S MISSIONARY UNION

Mrs. Robert M. Garrett

Woman's Missionary Union has discovered new meaning in its Watchword "Laborers together with God." Within the fellowship of the church we are committed to helping our churches fulfil their mission. Under the 1966-67 theme "A Church Fulfilling Its Mission Through Education" emphasis has been given to Leadership Training. A Leadership Conference was held September 26, 1966, at the Lincoln Avenue Baptist Church with 114 attending. A Leadership Course was offered in October at the Mt. Ruhama Church with 59 ladies receiving Leadership credit in WMS, YWA, GA and Sunbeam Courses.

An overflow attendance of 273 at the Annual Banquet in November heard a beautiful and inspiring message in song by Doctor Maurice Canaday. Mrs. Victor Carlson challenged us to a greater response in mission action for the Master as she spoke on mission work in Nigeria. The banquet theme was "Educating for Mission Action."

A Home Mission Study Institute was held at Calvary Church, Lincolnton, on January 23, 1967, for a very responsive group. We had several churches reporting gifts to both Foreign and Home Missions for the first time.

The Cedar Grove Church was host to our Annual Meeting on April 4, 1967, with pastors in our Association as special guests, and also having a part on the program. Reverend William T. Roberson, on furlough from Vietnam, brought a most timely message.

Our spiritual growth has heightened this year by a Prayer Retreat on the shores of Lake Norman.

We have 40 active WMS organizations, with one receiving "Honor" and four receiving "Advanced" recognition. Youth organizations are very active and we thank God for the potential and talent in these organizations.

AMERICAN BIBLE SOCIETY

The American Bible Society has since its organization in 1816, distributed over 800,000,000 copies of the Scriptures. They sell the Scriptures at or below cost to those who can afford them. They give them away to those who cannot afford even these low prices. Its average annual circulation for the past five years has been somewhat over 43,000,000 copies.

The Bible Society works in 150 countries. It annually destributes Scriptures in these countries in more than 450 languages and dialects.

Since 1835 the Society has been supplying embossed Scriptures for the blind. These books are expensive, but because much of the cost is paid by contributions made to the Society for this purpose, a blind person can obtain them for whatever amounts he is able to pay.

The Society has given more than 50,000,000 copies of the Scriptures to men and women of the armed forces of the United States and their allies.

Anyone can become a member of the Society and share in its work by making a gift of $5.00 or more. Information can be obtained by sending for a copy of the "Bible Society Record" - American Bible Society, 1685 Broadway, New York, N. Y. 10023.

ANNUITY BOARD

Fred A. Carpenter

January 1, 1969 is an important date for all new members in plan "A". The three-plan Southern Baptist Protection Program has one provision in Plan "A" called "Delayed Participation", commonly known as a "grace period". The provision states that the grace date is established in one of three ways:

(1) as of January 1, 1969; (2) on the member's 26th birthday; or (3) one year from the date he first becomes eligible, whichever is the latter. This simply means that if a member joins Plan "A" of the Protection Program later than his grace date, the disability, widow, child, education and dependent parent benefits will be proportionally reduced. Therefore, it is important that all who are now eligible join the Program before January 1, 1969.

The plans in the Protection Program are: Plan "A", formerly called the Southern Baptist Protection Plan, and the plan in which benefits were increased and new ones added; Plan "B", the Age Security Plan; and Plan "C", the Variable Benefit Plan. During 1967, 3,146 members joined some part of the three-plan Program.

For the second consecutive year, all persons receiving a life benefit were mailed a "13th" check. Each check was for an amount equal to 12 per cent of his annual benefit. These checks were made possible because of interest earnings in excess of what the plans required.

Because of the inflation-trend, many churches are moving to ten per cent dues on total salary, recommended as a minimum by the Annuity Board and state convention secretaries.

As of December 31, 1967, 1,202 new members had been issued certificates in Plan "A" of the Protection Program. A total number of 17,400 churshes were providing the Program for their ministers. Of the 174 agencies in the state conventions and the Southern Baptist Convention, 145 were providing the Program. The total number of employees covered in the agency programs was 7,140.

Rev. Guy Cain promotes the Protection Program in North Carolina. For Information about any of the plans in the Protection Program contact Rev. Guy Cain, 301 Hillsborough Street, Raleigh, North Carolina 27603.

AUDITOR'S REPORT

Raymond Y. Lawing, Jr.

TO WHOM IT MAY CONCERN:

This is to certify that I have examined the books of the South Fork Baptist Association and have found them to be in proper order. Mrs. Sain is certainly to be commended for the manner in which she has kept the Association records for the past year.

BAPTIST FOUNDATION

William J. Jones

During the past year, The North Carolina Baptist Foundation, Inc. has made regular and systematic progress. More and more of our Baptist people are inquiring about the services of the Foundation and are discovering the blessings and spiritual satisfaction that comes when one has made preparation for the ongoing of the Kingdom of God, even after death, by using these services offered. Some make direct monetary contributions through the Foundation for their church, missions programs, institutions, and/or agencies of the denomination. Others, with the help of their lawyers and the Foundation, are making provisions in their wills that their support of Christian causes will not cease with physical life, but perpetuate.

One of our major emphases has been in the area of will making. Pastors, associational superintendents, and church representatives have given encouraging help by informing our Baptist people of the services available to them through the Foundation. We are grateful for this assistance.

The Foundation remains ready to assist anyone in any phase of their endeavors. The Foundation serves individuals in two main areas: (1) In Estate Planning. The Secretary of the Foundation will assist you in analyzing your estate problems, studing tax liability, and suggesting arrangement of your affairs to accomplish your desires. (2) In Preparing Wills and Living Trusts. The Foundation will assist you and your attorney in drafting your Will or Living Trust, when you desire to remember any Baptist cause. For further information write or call C. Gordon Maddrey, Executive Secretary, The North Carolina Baptist Foundation, Inc., 301 Hillsborough Street, Raleigh, N. C. 27603. Your pastor will be glad to assist you also.

CHILDREN'S HOMES

Ernest W. Friday

North Carolina Baptists and other friends of the Children's Homes are making possible a Christian way of life for hundreds of boys and girls who otherwise would be denied many of life's best opportunities. More than 1,300 children were assisted in some type of service during the past year.

All associated with the Children's Homes are deeply grateful for every type of support. Co-operative Program income through the churches is increasingly important. Last year's Thanksgiving offering is the largest ever - now approaching $325,000. Special gifts, bequests through wills and estate planning provide much needed income and wonderful opportunities to invest in the lives of children and young people.

Encouraging progress is being made in the capital funds campaign to build a home for children in Western North Carolina to be located in Haywood County between Waynesville and Clyde. It is hoped that construction can begin in early 1969. The Western Home, in addition to providing group care, will strengthen all types of service now being provided children and their families in the Western area.

Four family style cottages have been constructed and dedicated during the past year - two at Mills Home and two at Kennedy Home. Two additional cottages will be constructed at Mills Home during the coming year. Funds for these buildings have come from bequests through estate planning by friends of neglected and dependent children.

The number of good Christian homes for the care of foster children is growing. More are needed in all sections of the state. Foster homes serve children of all ages and are particulary helpful for some who have special needs. Couples with or without children of their own, who have an abundance of love, find this to be a challenging and rewarding opportunity for Christian service.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We convenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

CHRISTIAN ACTION LEAGUE

Morrison L. Bailey

With legalization of beverage alcohol it takes on a dangerous respectability. Now that in more and more of our cities it appears on Main Street along with clothing and hardware; also on the shelves in the super markets with groceries, there is a growing acceptance. Americans are an athletic people and when sports are sponsored by breweries there is an association that says to the people, "It belongs". When an election is lost, the people loose much of their resistance to the opposition and take on the attitude "It's here, we must learn to live with it".

We must never loose sight of the real nature of this subtile beast whose purpose is to turn every garden of Eden into a hell of sorrow. The wisdom of Solomon speaks to the twentieth century, "Wine is a mocker, strong drink is raging: and whosoever is deceived thereby is not wise". (Proverbs 20:1). To be deceived by alcohol is to live a life of poverty, "For the drunkard . . . shall come to poverty". (Proverbs 23:21). The New Testament (First Cor. 6:10) classes the drunkard with fornicators, idolaters, adulterers, thieves, covetous, revilers, and extortioners; and tells of their doom, "Shall not inherit the kingdom of God". Beverage alcohol is a snake in the grass that, "At the last it biteth like a serpent, and stingeth like an adder". (Proverbs 23:32).

THE CHRISTIAN ACTION LEAGUE is dedicated to informing the public, aiding in the fight against beverage alcohol and the exposure of its evil and effects upon society. THE CHRISTIAN ACTION LEAGUE is worthy of your financial and prayerful support. Every church should have this in their budget and every member should receive the monthly paper, TOMORROW, published by this organization.

CHRISTIAN EDUCATION

D. Harding Caldwell

The enrollment of our seven educational institutions was 12,024 as of October 15, 1967. They are listed as follows: Campbell 2,351; Chowan 1,302; Gardner-Webb 1,300; Mars Hill 1,370; Meredith 969; Wake Forest University 3,163 and Wingate 1,569.

The Council on Christian Higher Education will again schedule forums on each campus to which pastors and other church leaders will be invited. This decision came as a result of the successful forums which were held last year. The schedule will be arranged and published at the proper time.

The following support was given to our institutions through the Cooperative Program: Campbell $272,377; Chowan $163,100; Gardner-Webb $154,945; Mars Hill $234,864; Wake Forest University $399,595; and Wingate $171,255.

There has been an increased interest in the Baptist College Day across the state. The Baptist College Day has two main objectives: to inform our people about the purpose and program of Christian higher education, and to provide an opportunity through the Baptist College Day offering to give much needed help to our schools.

Pastors and churches are urged to contact our schools and ask for a team of Baptist young people to give testimonies concerning what going to a Christian college means to them. One pastor said recently: "The two young people who came to our church have changed the whole attitude of our congregation towards the Baptist colleges and the Co-operative Program". The Council office offers its assistance in planning the observance of Baptist College Day.

The Christian college campus is emerging once again as a great moral and ethical force in American culture. Our church-related colleges have taken the lead in restoring discipline and moral and ethical responsibility on the college campus. This is no time for retreating or retrenching. It is a time for positive Christian witness from our churches and from our Christian colleges. We believe that we have a mandate to re-establish a sense of Christian values in American life.

CHRISTIAN LITERATURE

Cecil L. Ballard

What are you reading? As a Christian your answer should be, the Word of God, which is "a lamp unto my feet, and a light unto my path". Without the study of God's Word we would all be "ashamed workmen".

Millions of dollars are being spent on pornographic literature in America today. The purpose of this is the work of Satan, to drag down with him every person he possibly can to destruction of both mind and soul.

We as Christians and Baptists should take a firm look at our own publications and ask, "Is this literature fulfilling the needs of those who come in contact with it?" We believe great help has come to many who are reading Christian literature with open minds. We realize every writer has his own convictions and ideas and this is as it should be. But we wonder if our people are reading these to really be informed.

The **Biblical Recorder** is one plan of receiving information on the Baptist worldwide mission effort. It also acquaints us with what our denomination is doing or not doing at home and abroad. Through this publication we are enabled to see what some churches are doing and what is being done or not being done through our cooperative effort.

Charity And Children is some of the best information on our Baptist Children's Homes in North Corolina.

Other literature available is **Sunday School Builder** and **Quarterlies,** and we say use them!

The **Training Union Magazine** and **Quarterlies** has many improvements and should be utilized in our Training Program.

This year our Mission publications ond organizations are being changed and we trust for the betterment of all, young and old alike.

Since we are Christians may our reading materials be Christian Literature!

EVANGELISM

D. Harding Caldwell

The South Fork Association sponsored a "Spiritual Emphasis Week" last October at the Southside Baptist Church. The guest minister was Dr. Casper C. Warren. This was a rich experience for those who attended and participated. The attendance was far short of what it ought to have been.

The state evangelistic conference was attended by a number of our pastors. This was a rewarding and inspiring experience for all who were privileged to attend. The time has come that each church should be thinking about the coming "Crusade of the Americas". Final plans should be in the making for the time in our association for April 6-20. We are hoping that every church in the association will observe at least one or both weeks for this special effort. There are some things that we as an association can do together but it will take some special planning on the part of each individual pastor and church if we are to reach our potential in this crusade. Each church is encouraged to make plans for the above date and this action should have already been taken. If your church hasn't taken any action on this Important matter we urge you to do so right away. The end results will greatly depend on the planning that is done prior to the time set aside for this special evangelistic effort. May we join our hands and our hearts and form a united front as we face this great challenge.

HOME MISSIONS

William Wease

Mark 5:19-20.

"Howbeit Jesus suffered him not, but saith unto him, Go home to thy friends, and tell them how great things the Lord hath done for thee, and hath had compassion on thee. And he departed, and began to publish in Decapolis how great things Jesus had done for him: and all men did marvel.

This man was told by Jesus to go home and tell what great things the Lord had done for him. We are suppose to work at home for the Lord Jesus just as hard as in other lands.

Never have Southern Baptists had a greater challenge for Home Missions than we have today. Materialism, agnosticism, atheism, demonstrations and riots are everywhere. We are besieged by unrest, turmoil and selfishness throughout our land. Each one seems to have turned to his own way. Home Missions are needed now more than ever. Our once so-called Christian nation has been undermined by those who would pull down all our virtues that we hold sacred. Christian living has been pushed out the back door. Christian giving is about the same. It is high time for churches to get back to Christian living, giving and the way Jesus would have it. We must never be so farsighted that we overlook our greatest opportunities here at home.

There is a great need for "SPIRITUAL AWAKENING". Let that spiritual awakening be reflected in our gifts and prayers for Home Missions.

HOMES FOR THE AGING

Johnnie L. Caldwell

The past year in your Baptist Homes for the aging has been one of the most eventful in the history of the Homes. Of primary significance was the opening of the Yanceyville Home on November 1, 1967, and dedicatory services on April 25, 1968, with Governor Dan K. Moore as the principal speaker.

When the Yanceyville Home, accommodating 31 residents, is filled to capacity, the number living in all of our Homes will reach 200. Residents at Yanceyville, Resthaven, and Albemarle Home, the Hayes Home, the Hamilton Home, and the Infirmary constitute a large and ever-growing family of elderly people who receive compassionate and tender care.

The waiting list for admission to one of our five Home continues to grow, but has been revised and is a bit more realistic than ever before. The opening of the Yanceyville Home has relieved the pressure greatly on this waiting list, and persons are encouraged to make application from the various sections of our great State.

Baptist of North Carolina can be grateful for their record in ministering to the residents in their five Homes for the Aging. Recent reports reveal that our Baptist Homes for the Aging are giving more financial assistance to their needy aging than any other denominational Home in North Carolina. About 85% of the residents ministered unto receive assistance through the love gifts of North Carolina Baptists. These love gifts from our Baptist churches come from two main sources: (1) The Special Day Offering, received on the 3rd Sunday of February each year, from which the Homes derive 22½% of their total support; (2) The Cooperative Program from which we receive 12½% of total income. Gifts for 1967 through these two sources were at an all time high and amounted to around $200,000.00. The 1968 Special Day Offering, at this time, is reflecting an encouraging increase. Unless these two vital sources of income are increased considerably, your Baptist Homes cannot be maintained, either on the basis of quality of care, or quantity.

More than in any previous years the ministry of the Homes has been extended beyond the day to day care of the residents to our local churches and communities. Experiences have been shared in more than one Association, in World Missions Conferences, Family Life Conferences, High School Classes in Family Living, etc.

Life among the residents in the Homes is most interesting, and if one wonders about activity among those whose average age is 80, let him come and see. Let everyone who is contributing to this great area of human need be grateful to the Lord to be a part of a great denomination that has had the vision to plan for the aging, and is moving forward in meeting the needs of this very deserving group.

HOSPITAL

Carl E. Helms, Sr.

This is a full year at our Baptist Hospital with more than thirty thousand sick people being given medical service and Christian ministry, and more than 165,000 visits being made to the clinics of the hospital. In addition to this, more than 700 persons are receiving training in the various fields of medical care and Christian service, and a vast amount of medical research is being done in the causes and treatments of the diseases which afflict us and our loved ones.

The Development Program, which is greatly to increase the capacity of the Medical Center to train and to serve, is progressing on schedule. The new power plant is scheduled to go into operation in October. The paramedical school building is due to be ready by next April. It will provide the best in teaching facilities and make it possible to double the capacity of our nine schools. The Medical School addition is to be ready by September, 1969, and will allow that school to enlarge by 35%. Contracts are due to be let in October for the new patient building, which is to be completed in 1971. This building and the remodeling of the oldest part of the present plant will provide more than 200 new patient beds and greatly enlarged space and facilities for offices and for examinations and treatment of patients. The cost of this large Development Program is being provided by interested individuals, corporations, foundations and governmest agencies, which recognize the valuable service our Medical Center is rendering and the urgent need for greatly enlarging these services.

But this is a very difficult year financially, and our hospital has been forced to make important changes in its financial policies. In the face of the mounting costs and the increasing needs of our people, the hospital has been struggling with a growing deficit. We have been told this for several years but the gap has continued to increase between the cost of free service and the money we have provided for this service. The amount of the free service now will have to be governed by the amount of the Mother's Day Fund. A patient's hospital bill be estimated in advance, any available hospital insurance will be deducted, and the balance must be paid before the patient is admitted unless he is certified by his county welfare department or some other agency. Any balance beyond the estimated bill must be paid before the patient is discharged. In case of an emergency, the patient may be admitted but the hospital bill must be paid as soon as possible after admission. The Mother's Day Fund will be used, as it has been, to pay the difference between the amount paid by the certifying agency and the total cost of caring for the patient.

The great concern at our Baptist Hospital is for these patients who must have financial assistance if they are to get the specialized care they need. But the hospital has come to the point that it cannot continue to operate without the money necessary to cover the cost. In view of the circumstances, we believe the great majority of our pastors and our people will understand these changes and give their full cooperation. The Mother's Day Offering will need to be increased greatly if our hospital is to fulfill its mission to our people who most need it. We want to assure our hospital that it can depend upon us in full measure.

MISSIONS COMMITTEE

Charles N. Cranford

The Missions Committee of the South Fork Association has worked this past year with the Superintendent of Missions in promoting its assigned tasks. An undertaking of the future which we are anticipating with great enthusiasm is a School of Missions.

The Missions Committee approved a contribution of One Hundred Dollars toward the support of the Lake Norman Summer Ministery. We worked in conjunction with South Yadkin and Mecklenburg Associations and the North Carolina Baptist State Convention in accomplishing this ministry.

SCHOLARSHIP COMMISSION

Earl Henry

The Scholarship Commission of the South Fork Association has received $50.00 from the churches of the Association during past year. We wish to commend those churches who participated in the Scholarship Offering Sunday and to urge others who are not yet sharing in this to include some amount for the Scholarship Commission in your budget or set aside a special day for the offering. During the year we granted a loan of $150.00 for the fall semester of 1968 to Miss Carol Ann Kirksey.

We are thankful that through your concern for our young people your Association is having a share in preparing them for their life's work.

STATE MISSIONS

J. D. McAllister

"But ye shall receive power after that the Holy Ghost is come upon you: and ye shall be witnesses unto me both in Jerusalem and in all Judea, and in Samaria, and unto the uttermost part of the earth". Acts 1:8

We as Christians, and as a Church are commanded by our Lord to be His witness in our community where we live and in our state.

In this time of tension and unrest, we should be more dedicated to State Missions because here in our Jerusalem and Judea there is such a great need of brotherly love that can only come through the power of the regenerating Spirit of Christ Himself.

We live in a field white unto harvest. We must as Christians and professed followers of Christ realize that Christ is no respector of person and has commanded all people everywhere to come to Him in repentance and faith and accept him as Lord and Master of Life.

This should reveal to us that great need of love one for another in the Lord. Christians and Churches must come to face the reality of this great need today and use the mechanics of our State Mission Board, as it is working hard to strengthen the home base. State missions is worthy of the support of every Christian and church.

Be a witness where you are by testimony and gifts to and through State Missions.

STEWARDSHIP

Fred J. Braswell

What the budget is to the local church, the Cooperative Program is to the denomination. It is support for all missionary causes at home and abroad-it's preaching the gospel-it's healing in the name of Jesus through hospitals and clinics everywhere-it is teaching and training Christian leaders for all the great tasks of Kingdom endeavor.

As our people worship with tithes and offerings Sunday by Sunday and as your church channels a worthy part of its income through the Cooperative Program, we enter into partnership with God and one another in obedience to the command, "Go . . . preach . . . teach!"

Let us resolve to pray earnestly for Kingdom work through the Cooperative Program and support our prayers with sacrificial giving of self and substance. The Yates Association had 100% of their churches giving through the cooperative Program during 1967.

A new Eight Day Stewardship Program will be available from the Stewardship Commission of the Southern Baptist Convention on April 1. It will suggest visitation of every family in the church by the Deacons, prayer by every church member and Week-end Stewardship Revival. Many of the pilot churches have found this an effective way to increase giving and pledge the church's budget.

According to records available our Association gave $38,755.29 (January 1, 1968 - June 30, 1968) for World Missions through the Cooperative Program.

We recommend:

(1) That each church plan, vigorously promote, and subscribe a worthy budget.

(2) That each church have a special prayer for Cooperative Program causes during each church service in October.

(3) That each church give regulary, a worthy percentage of each offering plate dollar through the Cooperative Program.

SUNDAY SCHOOL

Robert M. Garrett

Once again this year the outstanding program has been Vacation Bible School, both the Associational Clinic and the individual church schools. The fine cooperation of the churches in responding to the clinic and the sending of reports is greatly appreciated.

This year has been one of planning and preparation. We are anxiously looking forward to the Crusade of the Americas, and exhort every Sunday School Superintendent and officer to lead the churches in this God-given program of soul winning. There will be other associational-wide programs offered to help every church through the Sunday School to fulfill the command of our Lord . . . Go . . . Make Disciples . . . Teach! Your prayers and continued cooperation are needed to assure the success of your associational program.

TRAINING UNION

Foyd Bennett

Dr. A. C. Miller of the Fruitland Bible Institute was guest speaker at the "M" Night meeting held at Maiden First, on November 27. The reports reveals 601 in attendance. There were 29 pastors and 24 directors present.

The most outstanding of all events this year was the Youth Banquet. Mrs. Roy Snell, missionary to Korea was our guest speaker. She was wonderful and the young people loved her. Records also show we had 133 young people from 14 churches. We thank the pastors' wives and Maiden First Church for the fine help they gave to make this possible.

The tournaments were held at Lincolnton, First, where we had 11 Juniors representing 3 churches in Junior Memory work. All of these Juniors went on to the Regional Tournament.

As we look back over the year we wonder how many of our churches have done their best for the Master. How many of you have been faithful to your Training Union? So many of our best leaders are Training Union Directors, yet it seems such a struggle to get our people to come to the "House of the Lord" on Sunday nights. We need to keep the lights burning brightly in our churches as well as in our hearts on Sunday evening.

WOMAN'S MISSIONARY UNION

Mrs. Robert M. Garrett

The Commission which prompted Southern Baptist Missionaries to go to the uttermost parts of the earth is the same Commission that prompted Woman's Missionary Union to lead persons to witness and to minister. Using the Convention theme "A Church Fulfilling Its Mission Through Ministry", a special feature this year has been mission action - to minister and to witness to persons of special need in Christ's name.

A Foreign Mission Institute was held October 19 at Gainsville Church. All YWA's were invited to Macedonia Church on November 20 for foreign mission study taught by Mr. Barron Lee, who had been to Africa and brought an inspiring study to 85 young women, with 12 churches represented.

At our Annual Banquet on November 3 we were honored to have Mr. and Mrs. Robert Travis, on furlough from Kenya, share their experiences as Southern Baptist missionaries with us.

The Massapoag Church was host for our Home Mission Institute on January 9.

Our Annual Meeting on April 2 at Calvary Church, Lincolnton, was well attended by representatives from 29 churches. New plans and changes in WMU work were presented. The Mission Action playlet "Me - In Mission Action?" was presented by the Lincoln Avenue WMU, directed by Mrs. Earl Henry, Associational Mission Action Director. Mrs. Roy Snell, in Lincolnton this year on furlough from Korea, brought both the special music and an inspirational message.

Girls Auxiliary Director, Mrs. Donald Reynolds, presented four Associational GA Meetings this year, with record attendances at all four meetings.

An Interpretation Clinic was held August 29 at East Maiden Church. A capacity crowd of women and pastors indicated a deep interest in new plans for WMU for the coming year. Maturing in missions concepts implies change, and Woman's Missionary Union seeks to develop a growing understanding and knowledge of the missions work being carried on around the world. For a greater understanding and knowledge and more effective work for the coming year, a Leadership Course was offered in September and October. With this knowledge and understanding comes growth in compassion and concern for sharing the gospel with the whole world.

New Woman's Missionary Societies were organized this year in the Westport Church and the Center View Church, making a total of 42 organizations in our Association.

Women in the South Fork Association feel the impelling force of missionary responsibility in Christ's Commission, and in assisting the church to fulfill its missionary task.

Preamble

We, the Missionary Baptist Churches of Jesus Christ, composing the South Fork Baptist Association, convinced of the necessity of an association of churches in order to promote fellowship, missions education, Christian service, the preaching of the gospel, and to cooperate with the Baptist State Convention of North Carolina and the Southern Baptist Convention in their work, do hereby agree and subscribe to the following articles.

Article I NAME

The name of the body shall be the South Fork Baptist Association of North Carolina.

Article II MEMBERSHIP

The membership of the Association shall be composed of the duly elected messengers from the cooperating Baptist Churches in the South Fork Baptist Association, three for the first one hundred members or fraction thereof, and one for each additional one hundred members or fraction thereof, provided that no church shall have more than ten messengers in addition to the pastor. All Pastors of churches in the Association and the Superintendent of Missions shall be recognized as messengers.

Article III AUTHORITY

This Association claims to be independent and sovereign in its own sphere, but shall never attempt to exercise any authority over the internal affairs of the churches.

Article IV ARTICLES OF FAITH

The Articles of Faith of this Association, which shall be the basis of fellowship and co-operation, are those adopted by the Southern Baptist Convention in Memphis, Tennessee on May 14, 1925 and amended in Kansas City, Missouri, May 9, 1963.

Article V MEETINGS

The Association shall meet annually on Tuesday and Wednesday after the third Sunday in October. The Moderator shall call special meetings of the Association upon the recommendation of the Executive Committee, provided two weeks notice is given to the member churches.

Article VI OFFICERS

The officers of the Association shall be Moderator, Vice-Moderator, Clerk, Treasurer, Parliamentarian, Historian, Libarian and three Trustees. WRITTEN REPORTS FOR THE 1969 SESSIONS OF
THE SOUTH FORK BAPTIST ASSOCIATION

AMERICAN BIBLE SOCIETY

J. Willard Singletary

People must have the Bible because it presents Jesus Christ, the only hope of men and nations.

Each person must have the Bible in his own language because it speaks to his heart as no other language can speak.

The Bible is the essential tool of missions and evangelism. The missionary uses it in all his work. The Bible itself is a missionary. It can go where the human missionary cannot go. It can stay on after he must leave and keep on speaking to a person's heart.

But, there is a worldwide shortage of Bibles because, in most countries, people cannot afford even the cost of printing the Scriptures.

The American Bible Society is a missionary non-profit organization, serving churches of many denominations in the U. S. A. and abroad. It helps missionaries translate the Bible. It publishes the Scriptures without note or comments. It distributes without profit, usually below cost, and without any charge in cases of special need. For the blind it supplies Scriptures in Braille and other raised-letter systems, talking Bible records and tape recordings.

From the Southern Baptist Convention, and the Southern Baptist churches, comes the greatest sources of help.

ANNUITY BOARD

Inflationary Trend Continues

During 1968, neither inflation nor the economy showed any evidence of a slow down. Even as late as the second quarter of 1969, there was no sign of a leveling off by the inflationary trend. The cost of living rose 4.7% pushing the Consumer Price Index to a record 123.7 in December, 1968. This was the greatest increase since 1951.

This inflationary trend continued to affect the buying power of everyone, including the retired.

To meet the needs of retiring ministers, church staff members, and denominational employees, the Annuity Board has developed the Southern Baptist Protection Program to provide an adequate retirement income. As the inflationary trend continues, many churches and agencies are upgrading their retirement programs by contributing 10% of total salary. The Annuity Board and state conventions heartily recommend this action.

Response to the three-plan Protection Program was good during 1968. The Program includes: Plan "A", the basic retirement fund; Plan "B", the supplementary fund; and Plan "C", the variable fund. Response was also good in the Life and Health Benefit Plans.

Highlights 1968

1- 3,451 new members in the Southern Baptist Protection Program.

2- 23,714 members now participating in Plan "A", 1,538 more than in 1967.

3- 18,086 churches providing protection for their pastors.

4- 145 agencies providing protection for 9, 894 employees.

5- $173,863 given in relief grants.

6- $6,543,169 paid in total relief and protection benefits.

7- 3,106 applications for Health Benefit Plan, 1,677 net gain.

8- 790 applications for Life Benefit Plan, 134 net gain.

Third Year for "13th Check"

For the third consecutive year, the Annuity Board issued a "13th check" to all recipients of life retirement benefits. The extra check, amounting to 12% of each person's annual benefit, was made possible by interest earnings in excess of the amount necessary to pay the retirement benefits. The excess earnings are distributed to plans of active members as well as to retired persons.

Information about the Protection Program and the Life Health Benefit Plans can be obtained from your state Baptist building or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

On March 31, 1969 the **SOUTH FORK ASSOCIATION** had 26 churches with 27 staff members enrolled in the Protection Program.

The Association is also enrolled with 1 staff member.

BAPTIST FOUNDATION

R. G. Blackburn

The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina.

It was created by the Convention for the purpose of procuring endowment funds and administering such funds for all institutions and agencies owned and controlled by the Convention.

The Foundation has been charged with the responsibility of procuring, safeguarding and investing endowment and other trust funds, and disbursing same according to the wishes of the donors.

In 1962 the total assets were slightly over $300,000. Today the total assets are in excess of $1,000,000 which indicates a renewed interest in the service offered by the Foundation.

One of the major purposes is to serve each Baptist whether he be rich or poor.

So to do greater things the Foundation must have the cooperation of the pastors in the promotion of this program in our churches.

Each pastor can inform themselves of this program in many ways and then inform the members of our churches.

Most individuals will never know that the Foundation exists unless the Foundation program is promoted in the churches.

CHILDREN'S HOMES

Among church supported agencies, North Carolina Baptist are fortunate to have one of the finest programs in the nation for the care and development of dependent children and for strengthening and supporting family life. This is an application of the teaching and example of Christ in His earthly ministry. More than 1200 children and their families are served annually.

The Children's Homes, through a variety of quality services, is recognized as a family service agency. This is made possible by a well trained and professional staff who provide leadership for group care program, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on six campuses and through the work of regional case-work centers throughout the State.

More requests for services are now coming to the Baptist Children's Homes than at any time in our previous history. All agency beds are filled and all available money is being utilized. We, too, have been caught in the rising costs of living and in an inflationary economy. A wider variety of quality services are being demanded to meet the needs of children who are the products of today's complex society. Present economic conditions make it necessary to have additional operating income with which to maintain the current program before any further expansion of services can be considered.

Friends of the Children's Homes, in Western North Carolina, have responded generously to the Founders and Builders Program to raise funds with which to establish the Broyhill Home to serve children in Western North Carolina. Sufficient funds have been given and pledged to purchase the land, to prepare the site and to construct the first of two cottages for children. When the campus has been completed provision will have been made for four cottages for children, a multipurpose administration and activities building and a home for the superintendent. With the support and cooperation of Baptists and other friends of the Homes another ministry is being developed in Asheville. A home in which to serve unwed mothers and their offsprings will be opened during the fall of 1969.

By the use of designated gifts and bequests from individuals and familes, significant progress is being made in the long range plans for upgrading of facilities. Two cottages are now under construction at Mills Home. A recreation building and an infirmary at Kennedy Home and two cottages for children at the Broyhill Home are scheduled for construction during the next year.

The contributions of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

CHRISTIAN ACTION LEAGUE

From one standpoint this has been a very good year for those who are deeply concerned about the beverage alcohol situation in North Carolina. The 1969 General Assembly wrestled with some issues which if they had passed, would have greatly liberalized the laws relating to sales, and would thereby have increased consumption of alcohol. Every state that has adopted liquor-by-the-drink sales has seen and increase in per capita consumption in that state.

We are grateful that the General Assembly defeated the following bills:

—The state-wide bill on whiskey-by-the-drink which was introduced by Representative DeBruhl of Buncombe County. This bill was also known as the Travel Council bill.

—The Mecklenburg County local option bill on liquor-by-the-drink.

—The Moore County local option bill on the same.

—The Baugh and Carson State-wide bill on all or nothing. This bill offered two alternatives: TOTAL PROHIBITION or A CONTINUATION of the present system plus local option on liquor-by-the-drink.

—Sen. Jack White's bill on local option A.B.C. votes in any city or town having at least one policeman.

We are rejoicing in some of the bills that were passed:

—The implied Consent bill which calls for a mandatory loss of license upon refusal to take the test for driving under the influence of alcohol.

—A bill to increase taxes on beer and whiskey, Tax on beer up from 3.5 cents to 5c per 12 oz. container. Tax on whiskey up 30c per fifth and due to go up more.

The General Assembly is composed of men and women whom you elect to send to Raleigh. Find out their views on alcohol before the elections. Elect representatives and Senators who will vote dry.

From another standpoint, we regret that so many local bills were passed during this session granting local option A.B.C. elections in so many places. When a representative introduces and favors such a bill in his district, it is almost certain to pass. This is another reason that care should be taken in electing representatives to send to Raleigh.

This has been a fairly good financial year for the Christian Action League. We had contributions of $24,000 on a projected budget of $26,000. We need twice this amount of money each year. Only folks like you will give it. Many churches and individuals have been faithful. We solicit other churches to put the League in the budget and send this amount annually. Special contributions are always joyfully received. We represent you in this work. REMEMBER to pray for the work and workers; and give us your financial support.

CHRISTIAN EDUCATION

Herbert P. Miller

Someone has defined Christian Education as "the education that a Christian gets". Whatever else Christian Higher Education is, it certainly is the higher education that a Christian gets. We heartily believe that every Christian student ought to have the privilege of getting his higher education in a Christian atmosphere. We believe that every subject that he studies ought to be taught from a Christian stance. That is why we believe that our six colleges and our university deserve our hearty support.

The enrollment in our Baptist institutions of higher learning as of October 15, 1968, was 12,122. Among these students are some of the finest Christian young people in our land.

One of the great services which our Baptist colleges render to the denomination is that of preparing young men and women for full-time Christian service. We have currently enrolled in the North Carolina Baptist colleges approximatly 600 students who will become pastors, missionaries, directors of religious education, directors of church music, chaplains, denominational workers, and Christian college teachers. While these represent the major catagory there are numerous sub-divisions among these catagories that require men and women with special training.

According to Mr. Fisher, who is the Director of the Division of Christian Higher Education, it appears that there will ba a real gain this year in Cooperative Program giving. This means a gain not only for the Baptist colleges, but for every phase of our work, including our great Home and Foreign Mission programs. The Baptist colleges, through Mr. Fisher, have expressed their thanks for the generous support they have received during the past year: Campbell College - $280,645., Chowan College - $168,051., Gardner-Webb College - $159,649., Mars Hill College - $241,993., Meredith College - $241,993., Wake-Forest University - $411,725., and Wingate College - $176,454.

We urge the churches to begin now to think about the observance of Baptist College Day on Sunday, June 21, 1970. Our Baptist churches have been supporting the Baptist College Day offering in two ways. Some use the envelopes and take a special offering. Other churches include all of the special offerings in the budget. Because of the critical financial need of our Baptist colleges, we earnestly ask you to remember these institutions with your special offering.

CHRISTIAN LIFE COMMITTEE

Melvin D. Rabb

The preceeding years have already ushered in many things that are contrary to the Christian Way of Life. In every conversation we hear a great deal of speculation and uncertainty about what the future months will produce.

None of us can "gaze into the crystal ball" and come up with the answers to the current perplexing problems. The future problems appear to be more perplexing! One thing is certain though, each Christian must concern himself or herself with the problems that are challenging the Christian in his or her everyday living! This is a great task! The Christian Life Committee is one aid we can use. It has resources to help point out the real issue, offer constructive help and help make the Christian Influence be felt. The Christian Life Committee stands ready to be of assistance. Let us use this committee.

CHRISTIAN LITERATURE

The year 1969 has been one of the most significant in the 136-year history of the **Biblical Recorder.** True, we cannot point to any spectacular gains in circulation, but each week the **Recorder** is read by almost 300,000 North Carolina Baptists in some 90,000 homes. For almost a century and a half the **Recorder** has played a vital role in the life of our convention and state, and will continue to do so.

Our pages this year have carried a variety of reports of the activities of Baptists all across the state. Early this spring membership in our 3,454 churches passed the one million mark -- an historic milestone. We also carried numerous stories and reports of the progress of the Crusade of the Americas.

The first half of this year, of course, saw much of the news interest focused on the General Assembly. Possibly more than any other assembly to date, this year's session was of vital importance to Baptists and other Christians across our state. Because of this importance, the **Recorder** gave special emphasis to reporting moral and social issues being considered by the legislature. Our readers responded in marvelous fashion, making the impact of the church felt throughout the state.

Whenever something significant was happening among North Carolina Baptists, our readers were aware of it. We hope to offer expanded coverage in the future and will always strive to improve our effort. We want to be good stewards of the trust North Carolina Baptists have placed in us.

Naturally, we hope that this stewardship will be rewarded with more participation in readership in our churches. The **Recorder** should be in every Baptist home.

We will continue to speak the truth in love.

EVANGELISM

Robert A. Cantwell

The evangelism committee of your association has been gratified by the response of practically all of the churches in the 1968-69 Crusade of the Americas evangelistic effort.

The Associational Evangelism Clinic held on January 21 was well attended. Most of our pastors and many lay people attended the State-wide Evangelism Clinic in Greensboro in February. A highlight of the year was the Crusade Rally which was held in First Church, Maiden, on April 4. Several hundred persons attended. Dr. Carl Bates of Charlotte was the speaker.

The annual reports from local churches will indicate something of the success of this year's evangelistic efforts. Only eternity will tell the full story.

Plans for the coming year include:

Soul Winning Committment Day	January 11
Associational Evangelism Clinic	January 13
State-wide Evangelism Clinic	February 2-4
Associational Youth Revival	July 12-19

Every church is encouraged to participate in these.

EXECUTIVE COMMITTEE

Coy H. Dellinger

The executive committee of the South Fork Baptist Association met monthly during the year. A financial report of the association was given at each meeting.

The committee elected Coy Dellinger to serve as hospital representative to replace Darrell Cox who asked to be relieved.

Charles Cranford was elected to serve as Vice-moderator, the office which was vacated by Lee Roy Denton who left our association.

The committee authorized the buying of a desk for the Superintendent's office, cost not to be over $100. The committee authorized using money from the miscellaneous fund to entertain Ted Williams and his associate who came for our Church Clerk Clinic.

The committee authorized paying $5. for the purpose of offsetting the cost of advertising in the Biblical Recorder in behalf of Associational Missions.

The committee approved the absence of our Superintendent of Missions for three weeks so he could attend the South Port and Ridge Crest Assemblies.

The committee received two churches under the watchcare of the association, Fellowship Baptist Church and Coral Park Baptist Church.

The committee approved three applications for Ministerial Aid, Charles Wade Dellinger and Mr. and Mrs. Jackie H. McClung.

The committee recommended to the Associational Board that we observe Gardner-Webb Day in our churches during the Fall Semester of 1969. (That a Ministerial Student be invited to speak in the various churches.)

The executive committee offers the following recommendations to the association:

1. That the Associational Board change its place of meetings to meet with the following churches: Mountain View, Mt. Zion, Hulls Grove and East Maiden during the next year.
2. That the name of the Associational Minutes be changed to Associational Annual.

HOME MISSIONS

Foyd Bennett

The Home Mission Board works in all of our states, Cuba, Panama, and the Canal Zone. We have more than 2,385 missionaries in these areas besides some 740 summer student workers. During the year we lost eleven missionaries by death and two by resignation.

To a society convulsed by assassinations, riots, elections, and other crises; to a society gaining a new awareness of its poor, its affluence, and its loss of values, the Home Mission Board has responded primarily through three emphasis this year.

(1) Preparation for the Cursade of Americas. More than a thousand associational rallies were held, $175,000. was spent on three half-hour telecasts for the spring of 1969, and numerous other meetings were held.

(2) Establishment of New Churches in Project 500. After selection from 1,100 applications, more than 150 of the 500 projections were started.

(3) Implementation of "A Statement Concerning the Crisis in Our Nation." The posture of the agency is that evangelism and social concerns are complementary and not incompatible, in the light of the gospel. Accordingly the Home Mission Board sought to give major attention both to helping penetrate society with the gospel of Christ at this critical time in national life, and also give major attention to The Crusade of the Americas and Project 500, while making advances in all twelve of the board's program areas.

Never have Southern Baptist had a greater challenge for missions in the homeland than they have today. Never have we needed a heaven sent, Holy Ghost Revival as we do today. Our prayer is that we see this revival and be willing to let others know that Christ is the only hope for our nation and world, by our gifts and prayers to the Home Mission Board.

HOMES FOR THE AGING

Billy R. Miller

Never before have your Baptist Homes for the Aging been more conscious of the Lord's Presence and of His Goodness than during the past year. At a time when the economy of the Homes was at its lowest ebb, with a sizeable deficit looming larger by the moment, when the weather was at its severest on the 3rd Sunday of February, the day of the Special Offering, the churches came through with an offering that promises, at this point, to be the greatest in the Homes' history. The Lord, who is in charge of the weather and in charge of the Baptist Homes for the Aging, has surely rewarded our faith and moved upon our Baptist people to see the urgency of our needs, and we are grateful.

Ours shall continue to be a relationship of trust in the Lord and faith in our Baptist people. We earnestly hope that a continued and sustained effort will be made by our churches to increase and strengthen the amount of the two main means of support for our ministry to the Aging -- the Special Offering, and the Cooperative Program. Through these two sources, one-third of the total income for the Homes is derived, and 85% of the residents, who are financially dependent, are cared for and supplemented. If we are to continue to assist these many needy persons, and if we are to reduce the deficit in the operation of the Homes,brought about by the rising cost of living, we must have more liberal support from our churches.

We do not believe that our Baptist people would want to curtail any of the vital ministries of the Homes and that they will respond to this urgent appeal.

Since last year, the Yanceyville Home, our newest Home, has been filled to capacity, and we now have almost 200 deserving older men and women living in our midst there and in our other four Homes -- Resthaven, and Hayes Home, in Winston-Salem, the Albemarle Home, in Albemarle, and the Hamilton Home in Hamilton. These wonderful people are finding much happiness in Christian companionship with persons of their age group, and great security in knowing that they will be loved and cared for in sickness as well as in health.

It is deeply rewarding experience to see the light and joy of Christ on an older person's face and to hear words of deep appreciation almost daily for the Christian love and nurture that North Carolina Baptists are making possible through this ministry. We believe, therefore, that our Baptist people will want to have an ever-increasing part in so worthy a labor of love in the Master's Name. We know that the Lord will not fail us, and we also believe that our people will want to be as faithful as possible.

BAPTIST HOSPITAL

Coy H. Dellinger

Our Medical Center continues a high quality program of medical care, training of medical personnel, and research in the causes and treatment of the diseases which afflict us. In the face of serious financial problems, the hospital staff is working more diligently than ever to minister to our people in keeping with their needs and to the limit of the hospital's resources.

The hospital has instituted more efficient admission procedures regarding patients' financial resources and plans for payment of hospital bills. Trained counselors are interviewing patients and their families regarding advance payments which are now required and for getting accurate information on those who will need help. In this way they are better able to discover those patients who may be eligible for medical care assistance through Social Services departments or other health agencies, and can start proceedings at once for getting these patients certified if this has not already been done. These agencies pay a major part of the cost for a patient they certify, but not the total cost, and the Mother's Day Fund must pay the balance. A member of the family must go to the agency and give the necessary information, and getting this done is often a real problem. Many of our pastors have helped in this connection and have rendered important service for the patients and the hospital.

If it were not for the help which comes from these health agencies, our Mother's Day Fund would not last for three months. After paying the difference between what the agencies pay and the total cost for these patients, the Mother's Day Offerings are used to help as many as possible of those who are not eligible for certification and who themselves cannot pay the total cost of their care. First preference must be given to those patients whose needs are greater and most urgent. The free care the hospital gives must now be limited in keeping with the funds provided for this purpose, however, because the hospital cannot continue to go deeper in debt.

It is important that our people understand that all of the Mother's Day Offerings and designated gifts for this ministry are used for this purpose alone, and the hospital makes them go as far as it possibly can. The Trustees and Administration of the hospital are most grateful for the fine cooperation our pastors and our people are giving, and they earnestly solicit our understanding and generous support.

MISSIONS COMMITTEE

Charles N. Cranford

The missions committee of the South Fork Baptist Association has worked this past year with the Superintendent of Missions in promoting its assigned tasks.

The missions committee approved a contribution of $125. toward the support of the Lake Norman Summer Ministry. We worked in conjunction with South Yadkin and Mecklenburg Associations and the North Carolina Baptist State Convention in accomplishing this ministry.

We also helped in constituting the Coral Park Mission to Coral Park Baptist Church on August 31, 1969.

SOUTH MOUNTAIN BAPTIST CAMP

T. A. Lineberger

Theme: "Helping Christ Help the World"

Your camp continues to be a channel through which God is making deep and lasting impressions on thousands of young people and their leaders. 210 more G. A.'s and R. A.'s attended camps at South Mountain than last year. The G. A. attendance was 1,097, R. A. was 513, and other groups were 666, making a total of 2,076 for the summer. Hundreds drove in for special services. The staff is included in the attendance.

918 responded to the challenge of the gospel, 154 of these were professions of faith, and 38 were volunteers for special service. Through Bible study, mission study, worship, and discussion, the campers were made strangely aware that being a Christian is a unique way of life. Also, that every Christian has an unavoidable responsibility to share Christ with the whole world.

The new $25,000. swimming pool was a very popular area of the camp twice a day. Many campers said, "It is almost unbelievable to have such a nice big swimming pool here in the mountains". It would have been impossible had it not been for much free labor. The approximate cost of the pool was $16,000. Our indebtedness on the pool now is $8,500. The total indebtedness on the camp now is $13,000.

Your camp can take care of over 200 weekly. The cost for 4 days was $9.00 and the cost for 5 days was $11.00.

We have color slides, 8mm, and 16mm film telling the camp story. We would like to have the opportunity to send a team to put on a program about your camp in 100 churches during the next six months.

More churches each year recognize the unique service that we render and put the camp in their budget. This is necessary for capital needs such as the pool, the road, etc.

Our receipts through fees, store mission offerings, and crafts was over $19,000. which was deposited into the general camp fund. We received $15,000. for operational fund. A complete financial statement will be given at our annual meeting in November.

Please pray for us. Bring your young people to camp. Put us in your budget. We would like to pay off our debt by 1971.

STATE MISSIONS

Alvin L. Hoyle

State Missions works through six departments and various specialized ministries. In order to serve more effectively there is a Department of City Metropolitan Missions (centers over 2500 population); Town and Country (towns under 2500 population and all rural areas); Fruitland Baptist Bible Institute; Deaf Work; Interracial Cooperation; and recently approved Department of Chaplaincy Ministry. In addition, there are specialized ministries at Cherokee; in military areas; and the following institutions: Leonard Training School; Samarcand Training School; McCain Sanitorium; Odom Prison; and Morrison Training School.

State Missions emphasizes service to local churches, especially those that may be classified as missions. Pastoral aid (financial) is granted to many churches in both rural and city areas. Lot aid is provided in needy situations. Along with financial aid, competent counsel will be given by department secretaries when requested by the church.

A close cooperative arrangement between the divisions and the local associations is cultivated. A majority of the associations is granted financial supplements by the State Conventions.

It is impossible to say which mission emphasis is most important. There has been rapid growth in Seminary Extension. Two new ministries are getting healthy response - Resort and Christian Social Ministries.

The leadership of State Missions is emphasizing the salvation of the whole man. Our approach is based upon deep convictions concerning the necessity of both faith and works.

STEWARDSHIP

W. R. Kimberlin

Discipleship, Stewardship, Lordship -- these are key words in our Lord's teaching in the New Testament. The stewardship of possessions expresses the economic phase of discipleship. The right use of God's abundant provisions is evidence of good stewardship.

Man is to account unto God for all of life. Christian stewardship includes attitudes and practices of the getting, handling and final disposition of our goods in such a way that it would please our Saviour. We are stewards or trustees of our time, our talents and our abilities. The Christian attitude is that we are responsible beings and must one day give account to our Maker for all that God provides.

The worship of God with tithes and offerings through our churches provides a way for expressing our gratitude for His blessings.

Materials for informing our people are produced and distributed by the Department of Stewardship Development. R. T. Greene is secretary and Mrs. Susan Cochrane is office secretary.

Teaching and training in the Forward Program, Growth in Christian Stewardship and Simple Plans for Stewardship Development is the responsibility for Harold White and his associate, Cleve Wilkie. Mrs. Dorothy Smith is office secretary.

The distribution of films, filmstrips and other audio visual materials and a radio and television ministry is carried on by L. J. Morris. Mrs. Ester Kidd, office secretary, is assisted by Mrs. Frances Riley and Mrs. Sylvia Neely in the work.

The **Cooperative Program** is the **main** channel for supporting World Missions, Christian Education, Social Services and ever expanding State Mission Program. The goal for these causes this year is $6,750.000.

A special State Missions Offering goal of $250,000. is a challenge to all Baptist churches. Other approved special offerings -- The Lottie Moon Christmas Offering, The Annie Armstrong Easter Offering, the Heck-Jones Memorial Offering, the Hospital Special on Mother's Day, the Thanksgiving Special for the Baptist Children's Homes, Christian Education on Father's Day and the offering for the Homes for the Aging -- all combine to an amount that will approach ten million dollars in 1969.

Cooperative Program gifts received by the Business Office of the Baptist State Convention of North Carolina for the period January 1, through June 30, 1969 from the South Fork Baptist Association was $43,706.22. The record shows that this amount was given by 38 churches in the association and that 17 churches in our association did not give anything through the Cooperative Program during this period.

As dedicated Christian stewards, will you try to lead your church:

1. To give through the Cooperative Program.
2. To use a stewardship program to help subscribe your own church budget.
3. To increase the percentage of the offering plate dollar given through the Cooperative Program.

SUNDAY SCHOOL

Robert M. Garrett

One of the highlights of the past year in the program of major emphasis through the Sunday School was the Crusade of the Americas. This emphasis, particularly through our association, seemed to be a great blessing to all the churches, and the spiritual fervor was evident throughout the association. We are grateful to God for the immediate blessings and continuing blessings that have resulted from this emphasis.

The heart of our work still seems to be Vacation Bible School. We rejoice again in the cooperation in the Associational Clinic, and the individule churches, in this effort to reach young people for Christ. Certainly we are all looking forward to the coming year with all new material and will want to be present for the Associational Clinic in order that we may have a good start on our church Vacation Bible Schools. Ambitious plans are already being made for this clinic. Let us be sure to be faithful to the 1969-70 year in Sunday School as we look forward to the "era of the 70's." God has a great challenge for South Fork Baptjsts, and I believe that you will be faithful to accept it.

WRITTEN REPORTS FOR THE 1970 SESSIONS OF THE SOUTH FORK BAPTIST ASSOCIATION

AMERICAN BIBLE SOCIETY

Winfred M. Turner

A program of missionary advance with the theme, "God's Word for a New Age", is being carried on by the American Bible Society, in cooperation with forty-eight other national Bible Societies in a world fellowship called the United Bible Societies. The aim is to provide greatly increased quantities of Scriptures urgently needed for worldwide mission work.

Southern Baptists consider the American Bible Society an essential part of their own worldwide mission program -- and believe in the missionary importance of giving to the American Bible Society.

Resolutions commending the work of the Society and requesting the churches to contribute to its support have been adopted by state conventions and by the Southern Baptist Convention.

Through gifts to the American Bible Society, Southern Baptist churches have shown their deep and continued interest in providing the Word of God for every man in his own language.

Good Experience Credit Boosts Benefits

"Good experience credit" is a new term in Protection Program vocabulary. "Good experience credit" means larger benefits for active and retired members as of January 1, 1970. Briefly, here is how it works.

For the active member and his family the stipulated amounts of eligible benefits in Plans A10 and A11 (formerly Southern Baptist Protection Plan) now are minimun. The "good experience credit" will be extra - over and above the minimum. For 1970 the "good experience credit" will be about 2% of the retirement credits accrued as of that date. The amounts credited in the future may vary, depending on interest earned.

Most retired members are finding the "good experience credit" in their 1970 monthly checks which are 4% larger. In addition, these members received the "13th Check" in February. The "good experience credit" and the "13th Check" are realities because interest earnings were in excess of what was required actuarially by the plans.

"13th Check" Largest to Date

For the fourth consecutive year the Annuity Board mailed a "13th Check" to all recipients of life retirement benefits. The extra check, amounting to 13% of the annual benefit, was the largest to date.

History of Benefits Paid

Since 1918 the Annuity Board has paid $73,717,267 in benefits to Southern Baptist ministers, agency and church employes, widows and children through the programs administered.

Highlights of 1969

If the "good experience credit" had been the only accomplishment, 1969 would have to rank as one of the most successful years in Board history, but there were other impressive accomplishments. Here are highlights of the Annuity Board services for 1969.

Annuity Board Programs

A minister, church or denominational employe can create a protection program with the Annuity Board that will cover all his needs. Many churches are helping by paying dues in the retirement, health and life insurance plans. Information on any part of the Annuity Board's programs may be obtained from the state convention office or from the Development Division, Annuity Board, SBC, 511 North Akard Building, Dallas, Texas 75201.

BAPTIST FOUNDATION

Fred Thompson

The North Carolina Baptist Foundation is an incorporated agency of the Baptist State Convention of North Carolina. It was created in 1919 by the Convention for the purpose of procuring endowment funds and for administering such funds, for all institutions and agencies owned and controlled by the Convention. It is independent of the causes it serves, but committed to their best interest. It is not a competitive agency, but a serivce agency dedicated to the task of undergirding all of our Baptist work.

The Foundation has made marked progress in recent years, and calls for its services are becoming more frequent. The services of the Baptist Foundation are in two main areas: (1) In Estate Planning. The Secretary of the Foundation will assist in analyzing estate problems, studying tax liability, and suggesting arrangement of one's affairs to accamplish desired objectives. (2) In Preparing Will and Living Trusts. The Foundation will assist a person and his attorney in drafting a Will or Living Trust, when that person desires to remember any Baptist cause. For further information write or call Mr. C. Gordon Maddrey, Executive Secretary, The North Carolina Baptist Foundation, Inc., 301 Hillsborough Street, Raleigh, North Carolina 27603.

CHILDREN'S HOMES

Cecil L. Ballard

Under the impact of the life, ministry and teachings of Christ and under the leadership of the Holy Spirit, North Carolina Baptists, eighty-five years ago launched a Christian ministry of child care. This has grown considerably and is widely recognized for its qualities of service and pioneering spirit. Sons and daughters of the Children's Homes are scattered throughout the world. They are actively engaged in all walks of life and are making a significant contribution to the uplift of mankind as a result of their early Christian training made possible by North Carolina Baptists and other friends.

The Children's Homes, through a variety of quality service, is recognized as a family service agency. This is made possible by well trained and professional staff who provide leadership for group care programs, foster home care, family services, consultation with churches in preschool programs and planning for higher education of children who have been in care. This program unfolds on seven campuses and through the work of regional casework centers throughout the state.

Broyhill Home at Waynesville and the Maternity Home at Asheville are scheduled to open within the next few months extending our ministry into Western North Carolina. In the East, Odum Home at Pembroke continues its vital ministry and Kennedy Home of Kinston is entering its intensive development program. Our ministry in Piedmont North Carolina focuses in Mills Mome at Thomasville, Greer Home at Chapel Hill, and Wall Home at Wallburg.

We want you to become thoroughly acquainted with the Baptist Children's Homes of North Carolina. The more you know about the agency, the more you will appreciate its daily work and ministry. You would be thrilled to see the progress our boys and girls make as they emerge out of difficult and unfortunate circumstances over which they have no control. Through this ministry you can find personal joy and excitement in helping people.

The contribution of our Baptist people through the Cooperative Program, the Thanksgiving Offering and special gifts are essential to our continued operation and are received with deep appreciation. An increasing number of friends are finding a rewarding stewardship opportunity through the establishment of trusts for the Homes and by means of wills and estate planning for the needs of dependent children. Members of the staff are available for consultation in estate planning and the preparation of wills.

Members of the Board of Trustees and members of the staff of the Homes are dedicated to a program of child care that will merit the undivided loyalty and support of our people and that will be worthy of the blessings of our Lord. We covenant with you to face the future as we have the past: to offer Christian nurture to children in distress in the name of Christ our Savior and Lord.

CHRISTIAN ACTION LEAGUE

Melvin D. Rabb

Perplexing problems confront us. The Christian Action League of North Carolina recognizes this and is determined to exert a positive leadership in solving these problems. This determination touches the individual and governmental agencies as well. Let us make the Christian Action League an extension of our own convictions by supporting it in every way.

CHRISTIAN EDUCATION

Billy R. Miller

If our students are to get their education from a Christian point of view and from the Baptist stance they must attend one of our six (6) colleges or our university. It is here that our young people are prepared to serve their churches and communities as pastors and/or fulltime Christian servants. As of October 15, 1969 the following enrolments were reported by our institutions of Higher Education: Campbell College - 2,306; Chowan College - 1,333; Gardner-Webb - 1,461; Mars Hill College - 1,142; Meredith College - 1,142; Wingate College - 1,607; and Wake Forest University - 3,210.

It is estimated that the overall costs in colleges and universities will escalate at the rate of 12 to 14 percent for the next ten years. This means that our support to these institutions must be increased if we are to operate at the level of secular schools. From 1958 to1969 enrolments increased by only 30 percent while instructional salaries increased more than 100 percent. Thus, our administrators are to be praised for operating in the "black" even though the danger signals are out and up. It is significant that only 3.68 percent of special offerings is designated for Higher-Education. It is also significant that the cooperative program provide the second largest source of income apart from student charges.

Let us begin to think, even now, in terms of giving more through the Baptist College Day Offering in 1971. The institutions can use the gift and the blessing of giving is sure to be ours.

CHRISTIAN LIFE COMMITTEE

Melvin D. Rabb

Everyone should be dedicated to the task of emphasizing applied Christianity. We can find aid in the articles of the Christian Life Commission of the Southern Baptist Convention. For instance, their "Issues and Answer" publications deal with **everyday** issues. In a realistic way, subjects are discussed and possible solutions given. The commission now has some 70 tracts in print and available for the churches to use in helping their members emphasize the practical dimensions of the Christian faith.

Your own Christian Life Commission stands ready to help in any way possible.

CHRISTIAN LITERATURE

Herbert P. Miller

Let us be reminded of this word of the Apostle Paul: "Give attention to reading". He knew, as we know today, that God's people must read to strengthen their faith, to increase their knowledge, to open their vision, to inspire their minds. Christian literature must forever be dedicated to the furtherance of the Gospel and the whole work of the Lord through His people and His churches. Like some evil flood today, the swelling tide of bad literature has come to deceive all who will buy, read and absorb its insidious poison. Much of it is cunningly dressed in fine covers and attractive print as it bedecks every newstand and lures every heedless person to take and read. To stem this ugly tide, is the wholesome array of well-printed, sound periodicals, books and other good literature which flow from our Baptist press. The new literature published by our Sunday School Board is better than ever and we should make the very best use of it.

Any report on Christian literature would have to include the **BIBLICAL RECORDER.** For 137 years, North Carolina Baptists have had the **BIBLICAL RECORDER** as a dependable source of information. Week by week it goes into the homes of nearly 90,000 families, striving to speak the truth in love. Of the 49 churches in the South Fork Association, 28 receive the **RECORDER** and 14 of these churches have the **RECORDER** in their budget. The total number of subscriptions in the South Fork Association is 1,438.

To quote Editor Grant: "Looking to the future, the **RECORDER** promises to continue its fight against Liquor by the drink, even in the face of strong opposition from those who are pushing for a greater flow of liquor in our state. If your church is not sending the **RECORDER** to every home, try doing this for the coming year so your members can receive the full story on the 1971 General Assembly.

Your church would not think of trying to carry out its mission without literature devoted to the Sunday School, Church Training, Womans Missionary Union, Brotherhood and all other church organizations. The **RECORDER** is just as important and should be in the budget just as this literature is. The cost is only 4c a week, a penny less than a post card. Your church is the loser by not taking this step. Won't you do it this coming year?"

EVANGELISM

Robert A. Cantwell

The Evangelism Clinic planned by your committee and held on January 13 in Lincolnton was well attended as was the Statewide Evangelism Conference in Greensboro in February.

The 25th Statewide Evangelism Conference will be held at War Memorial Auditorium and Greensboro Coliseum on February 1-2, 1971. The closing session will be a Youth Evangelism in Greensboro Coliseum which seats 16,000 with Dr. Leighton Ford of the Billy Graham Association as featured speaker. Pray for this special session that many youth will make genuine decisions for Christ.

Plans were made during the year for an Areawide Crusade for Christ. At a called meeting of the Associational Board on July 13 the recommendation of the committee was adopted as follows: that (1) plans be made for a South Fork Area Crusade for Christ to be held at the Lincolnton High School Football Stadium, May 16-23, 1971, and (2) James Robison, Evangelist and his associates of Hurst, Texas be invited to lead the Crusade.

The committee members fervently hope that every church in the association will wholeheartedly support this venture.

FOREIGN MISSIONS

Glenn Murphy

In the study of the Bible, it will be noted that God has a genuine interest in all people of the earth. This interest lies at the basis of the study and practice of Christian missions.

Missions had its origin in the heart of God. As we study God's Word we could say that missions is the key to the scriptures, and without this key there cannot be a full understanding of God's redemptive purpose as revealed in the Bible. Throughout the history of the world, God has been reaching out after humanity to save it. This reaching for humanity began in the Garden of Eden, it followed man through all wanderings of the Old Testament revelation of Christ. The missionary message is being extended today through the missionary activities of the disciples of Christ as they preach the Gospel of salvation to all nations. At the present time in these 1970's this same program is still being continued and will continue until it is fully completed in the new heaven and earth.

Almost 2,000 years ago, the risen Lord commissioned His disciples to "Go into all the world and preach the Gospel to every creature." (Matthew 28:19-20). World evangelism through the ministry of missions is the task for every Christian.

The words of Jesus concerning the great commission have never been withdrawn and the vision for world evangelization is still as clear as when the Saviour first presented it.

The Foreign Mission Board closed the year of 1969 with 2,490 missionaries under appointment for service in seventy-one countries. In addition to those in active service, there are 174 emeritus missionaries. The continuing ministry of emeritus missionaries through intercessory prayer and personal testimony is a significant factor in the cause of Christ.

In the year of 1969 there were two new countries added to the Foreign Mission Board fields, they are Dehomey and the Leeward Islands.

In 1969 the efforts of the Baptist churches with which the Foreign Mission Board has cooperative relationship resulted in growth from 5,154 churches and 611,470 members to 5,303 churches and 631,259 members. Field reports indicated a total of 54,994 baptisms, the largest number ever reported in one year from these overseas fields.

Total contributions of Southern Baptist for foreign missions amounted to $31,005,797 as 1969 closed (a per capita gift of $2.70). This is based on 11,489,613 Southern Baptists. This is about 22½c per month or around a nickel a week. The Lottie Moon Christmas offering had reached a total of $15,297,558 by May 1, 1970.

On all continents of the earth men are telling the story of the cross because Christ said, "Go". In the languages of the nations the Gospel speaks because Christ said, "Preach to every creature". Missionaries are full of hope because Christ said, "I am with you always".

The ambassador who is most successful in gaining possessions for his Master is the one who speaks as if he had seen the pierced hands and the wounded side and had heard the prayer of the Cross, "Father, forgive them for they know not what they do".

Allow me to make two suggestions. First, let us pray that the Lord of the harvest will send laborers into His harvest, let us pray that the doors will be opened to spread the Gospel to all nations, let us pray that all men in every nation will repent and be baptized in the name of Jesus Christ for the remission of sins and receive the gift of the Holy Ghost. Second, in the response of our resources let us give and give and give to enthrone Him as Lord of all hearts and Lord of all nations.

HOME MISSIONS

Burl H. Ashley

The Home Mission Board is observing its 125th Anniversary Year with gratitude to God for His favor and appreciation to Southern Baptists for their support during the past century and a quarter.

Though radical changes are taking place throughout many areas of society, the task of the Home Mission Board remains basically unchanged. That task includes sharing the gospel with people in all fifty states; Puerto Rico, and Panama. The Board is continuing in its committment to helping churches, Associations, and State Conventions in crossing barriers, whether geographical, cultural, racial, or social to the end that Jesus Christ will be made known to all people.

Of the Board's 2,235 Missionaries, many serve in fields where problems are many and complex, 1,175 young people served during the year for brief periods in team mission efforts such as on the Florida beaches, in evangelistic efforts, and building construction projects. This past year marked the 25th anniversary of the Student Summer Missions Program. Some 12,000 young people have had part in this ministry.

Since February 1969 all who are associated with Southern Baptist Home Missions have been rejoicing in the return of Herbert and Marjorie Caudill and J. David and Margret Fite and their three sons. The Fites are on study furlough while the Caudills have retired and are making their home in Atlanta.

The Board is grateful for another year of increased financial support. The Cooperative Program, its basic on going source of support, reached $5.5 million last year; The Annie Armstrong Offering passed $5 million for the first time. These gains have enabled the Board to strengthen its programs at various points.

HOMES FOR THE AGING

E. W. Friday

God has blessed our Homes for the Aging through all of our nineteen years, and during the past year in a very special way. We acknowledge His goodness and thank Him for every manifestation of His Love. We also want to express sincere gratitude to our Baptist people for their increased love and concern for the 195 dear elderly people to whom we are ministering in our five Baptist Homes - Resthaven; the Hayes Home, and Nursing Care Unit, in Winston-Salem; the Albemarle Home, in Albemarle; the Hamilton Home, in Hamilton; and the Yanceyville Home, in Yanceyville.

An urgent appeal was made to our Baptist people before our offering in February to help us reduce the alarming deficit in the operation of the Homes. This plea was heard, and the offering, of $168,349.34, from July 1, 1969 through June 30, 1970 from our Baptist Churches, has exceeded all other offerings in previous years. How grateful we are for this increase. We want to urge our people, however, to continue giving liberally to our Homes and to remember that we are still confronted with the staggering cost of living and the great need to strengthen the total economy of the Homes as we try to move forward in developing and expanding this vital ministry to the aging. For example, even though our offering reflects an increase over the previous year, this increase will only take care of approximately half of the additional amount necessary in operating the Homes for the coming year, due to inflationary pressures.

Of great interest in our Development Program is a proposed new addition to our present Nursing Care Unit. Judge and Mrs. William M. York, of Greensboro, North Carolina, have offered a gift of $80,000.00 to the Homes for this purpose, contingent upon the Homes raising an additional $80,000.00 by September 1, 1970. If this proposal is fulfilled, 10 to 12 additional rooms would be made available, with accommodations for 20 to 24 people, and bringing our total nursing care capacity to 80 beds. We appeal to Baptist people to pray for the success of this very special project in the care of our elderly sick.

There is no greater security for an older person than that of the Christian nurture and love offered in our Baptist Homes, and we thank the Lord, and our Baptist people, for this ministry. We shall continue to look to Him, and to our people, on behalf of these to whom Christian love means so much, in the faith that our needs will be supplied.

HOSPITAL

Eugene B. Elmore

Our Baptist Hospital continues to grow, in spite of its serious problems. Physical growth is the result of the long-range development program which has already seen the completion of the new power plant, the School of Nursing, and Allied Health Building, and the additions to the Medical School. Construction of the new patient tower is progressing, after some delays, and is expected to be completed by mid-1972.

There is continued growth in the quality of patient care provided. There is improved equipment in the heart diagnostic center in the fight against heart disease; the department of nuclear medicine continues to make progress in the diagnosis and treatment of some of our most dreaded diseases; the stroke center renders valuable service in the study and treatment of strokes and brain tumors. New equipment for the Intensive Care unit includes an instrument which is attached to the patient and measures his heart action and blood pressure; if either varies from a safe range the machine signals the attendant immediately.

Changes in admission procedures have been made necessary by the financial crisis the hospital faces. When a doctor reserves a bed for a patient the admissions office contacts the patient to obtain the needed information, including the type and amount of his hospital insurance coverage. After estimating the hospital bill and determining the amount of insurance coverage, the patient is notified of the difference which he is expected to bring when he enters the hospital. An effort is made to counsel with all patients who need finacial aid and assist them in getting help.

With all the growth, one thing remains unchanged: the desire and determination to care for the needy sick. This has been the heart of the hospital's ministry since it opened in 1923. Last year it ministered to 5,225 Service Patients for 47,499 days of hospital care, in addition to the large number served in the Outpatient Clinics. The free care amounted to more than a million dollars beyond what these patients, their insurance, and all sponsoring agencies paid. North Carolina Baptists provided $565,000 of this amount - $237,000 through the Cooperative Program and $328,000 through the Mother's Day Offering. To date this year 39 churches in our association contributed $4,710.54 of the Mother's Day Fund, thus helping the hospital keep faith with its purpose.

Though our Mother's Day Offerings have grown they have not kept pace with the rising costs and our hospital is running a heavy deficit. If full use is to be made of the new medical procedures and facilities in fulfilling our mission, we are going to have to give our Baptist Hospital additional support.

MISSIONS COMMITTEE

Earl Henry

During the past year we have had two churches under the watchcare of the Association. After review of their work and prayerful consideration, we make the following recommendation.

1. That Coral Park continue to remain under the watchcare of the Association. We consider this to be wise and best for all parties concerned.
2. That Fellowship Church be taken into the full fellowship of the Association.

SOUTH MOUNTAIN BAPTIST CAMP

T. A. Lineberger

Truly, the Lord was with us at South Mountain Baptist Camp again this year. Attendance was good and we had record breaking crowds the last of the summer. The last week we had 269 and we had to turn away 30. There were 1634 R.A.'s and G.A.'s that came to camp. Also 657 came to Day Camps or, over night retreats. A total of 2,291 for the summer. During the summer 19 churches came for picnics and to swim in our pool. 124 came from your Association to our regular camps.

Our theme for this year was "Living Like Jesus" Rhea L. Ross wrote our theme song again this summer.

Our program included: Mission Study, Missionaries, Worship, Study of R.A. and G.A. work, Campers enjoyed good eats, swimming, fishing, horseback riding, softball, horse shoe, ping pong, badminton, and crafts.

A total of 940 Campers and visitors made decisions for Christ during the summer and 162 of these were professions of faith. Also of these 17 made decisions for Special Service. Those who came learned much about R.A. and G.A. work. Missionaries or Pastors who had been to the Mission Fields were in every camp. A week at South Mountain Camp is filled with many unforgetable experiences. A new or renewed experience with God is a source of joy that will long be remembered. In many instances campers went home to be a blessing in their own church and community. Some churches immediately sent a donation to the camp. Others placed their camp in their Budget.

The leadership of your camp seeks to hold high the demands of the Gospel. It is kept before the campers that a true child of God should grow more Christlike every day. He should also, seek to know and do the will of God.

Our staff presented a program about our camp in nine churches during the summer. We might be able to come to your church during the winter months.

Your camp director is to be with the camp work full time January 1, 1971. He will still be available to do interium pastorate work. The Executive Committee has voted to build a caretakers home in the near future. Nearly 2,000.00 is in sight for a beautiful Chapel in the near future. So you see, there is opportunity for an investment by churches, industry, and individuals that will pay great dividends until Jesus comes.

Your camp is making a tremendous contribution to our Lord's work. Therefore it deserves the prayers and financial support of every church of Region Eight and other churches who use and appreciate our camp.

STATE MISSIONS

Joe D. Drum

Today is the day of the Lord, can we as the South Fork Association be the prophets of God for this hour? Not without spiritual renewal; more revival meetings, rallies and sophisticated guidance materials are not enough. The spiritual preparation cannot be programmed or promoted, it must be born of the Holy Spirit. It must include a commitment to Jesus Christ and a recovery of our sense of missions in everyday life.

In the Southern Baptist Convention, one hundred and two world missions conferences were conducted across the Convention with 116 associations participating during 1969. There was a total attendance of 619,472 with 1,863 churches participating. Volunteers for special service totaled 241 and professions of faith reported as 267. Home missions speakers attended 247 camps and reported 29,785 total attendance, registering 1,404 professions of faith and 1,136 young people committing their lives to church related vocations.

"Pray ye therefore the Lord of the harvest, that he will send forth laborers into his harvest". (Matthew 9:38)

"Then said Jesus to them again, Peace be unto you; as my Father hath sent me, even so send I you". (John 20-21)

STEWARDSHIP

W. R. Kimberlin

Hundreds of churches, including every size church, increased Cooperative Program giving last year. One thousand and seventy-three churches increased Cooperative Program giving by ten per-cent or more over the previous year. This increased sharing will enable all to have a greater part in the healing of the sick, feeding the hungry, clothing the naked, visiting the imprisoned and preaching the gospel to the poor. Congratulations are in order to every individual and church making this ministry possible.

Helping churches advance in stewardship and missions is one of the basic aims of your Stewardship-Cooperative Program Chairman. General Board member, Director of Missions, Moderator, and the Division of Stewardship Promotion of the Baptist State Convention. Do you need help with Annuity and Insurance for your pastor and/or other staff personnel, Week End Stewardship Revivals, Growth in Christian Stewardship Program, The Forward Program, Study and Preaching Program, Tithers Enrolment Week, Planning a Budget, Youth in Stewardship Program, Family Stewardship Program, Visual Aids, Communications, Developing a Special Stewardship Program, Principles of Family or Church Budgeting, Setting up Better Financial Record Keeping for your church or leaflets and other information on the Cooperative Program, State Missions, and Family or Church Finance?

The Cooperative Program is the main channel of supporting World Missions, Christian Education, Social Services, and ever increasing State Missions program. The goal for these causes this year is $7,000,000.00.

As dedicated Christian stewards will you try to lead your church:

1. To use a stewardship program to help subscribe your own church budget?

2. To increase the percentage of the offering plate dollar given through the Cooperative Program?

Your associational officers and your Division of Stewardship Promotion personnel are delighted to offer friendly service to aid your stewardship program, Cooperative Program sharing, visual aids or annuity requests. On your invitation we stand ready to assist in every possible way.

SUNDAY SCHOOL

Billy C. Beaver

Southern Baptists have proudly accepted the title "A People of the Book". This is a worthy title for the Bible is the Book of books. It has withstood the tests of time, Infidelity, and the bonfires of its enemies. It has survived those who have sought to destroy it, and its truths are as refreshing as a Spring shower. The Bible has not become obsolete by the passing of time nor a changing world.

Dr. James L. Sullivan, executive secretary-treasurer, Sunday School Board, said recently: "It is not enough for the Bible to be the most purchased, most read, and most quoted book of our time. It is not even enough for it to be the most respected and the most understood book. We need to make it the most lived book in the world today".

This has been the desire of your Sunday School leadership this year. The very successful and informative Vacation Bible School Clinic, the Shaping the 70's Clinics, and other conferences have been geared to help our people to be more than just people who have studied the Book. The plans and programs of the future will help us to broaden the base of our Bible Teaching Program and thereby lay a solid foundation for Christian living and Christian service in effective ministry to the unreached, unsaved and uncommitted persons who need, and are needed by, Christ and His church.

Needed changes have always led to progress in our Sunday School work. During the past years changes have been made in the Standard of Excellence, the Six Point Record System, teacher training, new curriculum materials, and functional church architecture suited to the educational program of the church.

There is no need for undue alarm over the projected changes the 70's have brought. A careful evaluation will reveal no new message, no new revelation, and no new assignment. Our text is what it has always been - the Holy Bible. Our message is what it has always been - God in christ, reconciling the lost to Himself. God's revelation is the same - "He that has seen me has seen the Father". Our assignment has not been changed - "Go ye therefore" - God's promise to us in service has not been changed - "and, lo, I am with you always, even unto the end of the world".

TRAINING UNION

Melvin D. Rabb

The South Fork Baptist Association "M" Night was held at East Maiden Baptist Church on November 24, 1969. Mr. Ray Withers, an active member of East Maiden, was guest speaker. Pearl Baptist Church had the most members in attendance. Long Shoals Baptist Church received a plaque for the best average attendance during the prior Training Union Year. Their record was outstanding! An enrollment of 37 with an average attendance of 37!

The Associational Training Union Director attended the Shaping the Seventies Conference in Asheville. Our South Fork Associational Shaping the Seventies Conference was taught at Lincolnton First on March 8 and 9. Prior to this conference letters were sent to every Training Union Director requesting that a special effort be made to be in attendance. As a follow-up the Training Union Director sent letters to every director not in attendance and offered to hold another conference for them.

The Junior Memory Work Tournaments were held in June at Lincolnton First. Lincolnton First had ten Juniors participating and Salem one. All were winners and went to Shelby for the Regional Tournament.

Your Associational Training Union Director will assist your church in every way. Please call if assistance is needed.

WOMANS MISSIONARY UNION

Mrs. H. H. Bryant

The 60th Annual session of Woman's Missionary Union of South Fork Baptist Association was held on April 1, 1969 at Lincoln Avenue Baptist Church followed by the 61st Annual Session held on April 7, 1970 at Maiden First Baptist Church.

Quarterly Associational W.M.U. Executive Committee meetings were held at 2:30 p. m. on the last Saturday of each quarter. Local WMU Directors are invited to participate in these meetings which were held at Antioch, Mountain View, Mt. Anderson and Gainsville during the year.

The 1969-70 year began with a leadership Conference, under the Direction of Mrs. Harlee Goble, W.M.S. Director, being conducted at Lincoln Avenue for three hours with special emphasis on Mission Study and Mission Action.

The WMU Banquet was held on the first Friday in November with Dr. L. D. Johnson, Chaplain and Professor of Religion at Furman University speaking on the problems and needs of young people and the role parents and Christian leaders can have in helping.

March 7 & 8, 1970 was time for interpreting new ideas at Shaping the 70's Clinic held at Lincolnton First. This was followed by State meeting of WMU in Greensboro, March 10-12. On May 5th a Drug Workshop was conducted at Boger City with Rev. Melvin Rabb, Mrs. Bobby Baker and Mrs. Ken Rudisill leading. The week of August 13th found many of our ladies attending the WMU session at Ridgecrest. On August 28 & 29, the officers for 1970-71 attended the training session at Mundo Vista:

Mrs. J. E. Helms, W. M. U. Director
Miss Delores White, Assistant W.M.U. Director
Mrs. Leonard Wright, Baptist Women's Director
Mrs. J. E. Lockman, Asst. Baptist Women's Director
Mrs. Jack Cline, Baptist Young Women's Director
Mrs. Roger Josey, Asst. Baptist Young Women's Director
Mrs. W. C. Harris, Acteens Director
Mrs. Floyd Painter, Girls in Action Director
Mrs. Lester Carter, Missions Friends Director
(Not attending) - Mrs. E. B. Elmore, W.M.U. Secretary and Treasurer

Under the leadership of the new officers, a Leadership Conference was held at East Maiden on September 8 & 10, 1970 with approximately 135 attending, representing 21 churches.

The Associational GA's met at Mt. Anderson, Mt. Ruhama, and held their Banquet at Ball's Creek School. Mrs. Floyd Painter proved to be a worthy leader in this field.

Mrs. Margie Cline led the YWA's to meet at Reepsville, and held a mother-daughter banquet at Mt. Ruhama with Rev. Stanley Howard of Alexis Baptist Church speaking. There were a number of girls attending the YWA convention in Hickory with Margie.

Mrs. Anne Wilkinson worked with Sunbeams and successfully conducted a Day Camp for eight year olds at Piney Grove Church.

The next Annual session will be held at Boger City Baptist Church April 6, 1971.
